
Thomas Sidlik Leadership Scholarship

The **Thomas Sidlik Honors Leadership Scholarships** were established in response to a gift from Regent Emeritus Thomas Sidlik, who served on the Eastern Michigan University Board of Regents from 2005-2012. Mr. Sidlik was a driving force behind the financing and completion of the Student Center, the addition and renovation of the Science Complex, the development of a new Public Safety building and a campus beautification project, the completion of an indoor practice facility, and the renovation of multiple other campus buildings. The Sidlik Leadership Scholarships recognize Honors students who are working to make their own mark on the EMU campus and surrounding community. Ten awards of \$1000 will be distributed in 2024-25. [Note: The amount of funding students receive will be taken into account in selecting recipients.]
