THE UACDC MONTHLY NEWSLETTER

Begin Thinking about your Summer and Fall Classes!

While registration does not happen until March, now is a good time to start thinking about what classes you may want for Summer and/or Fall 2023.

Here are a few things to consider when thinking about classes:

1. Do I have a major I am potentially interested in?
2. What general education classes do I still need?

If you need help deciding on a major, now is the perfect time to meet with a career coach. If you need help figuring out your remaining general education classes, make an appointment with an academic advisor.

ADVISING TIPS

How to use U.Achieve

[Download PDF Instructions for U.Achieve here](#)

U.Achieve is our degree audit system. It allows you to do several things:

1. Run an audit to see your progress towards your degree
2. Run a "what if" audit to see what your progress would be towards different majors

How to Access your Audit

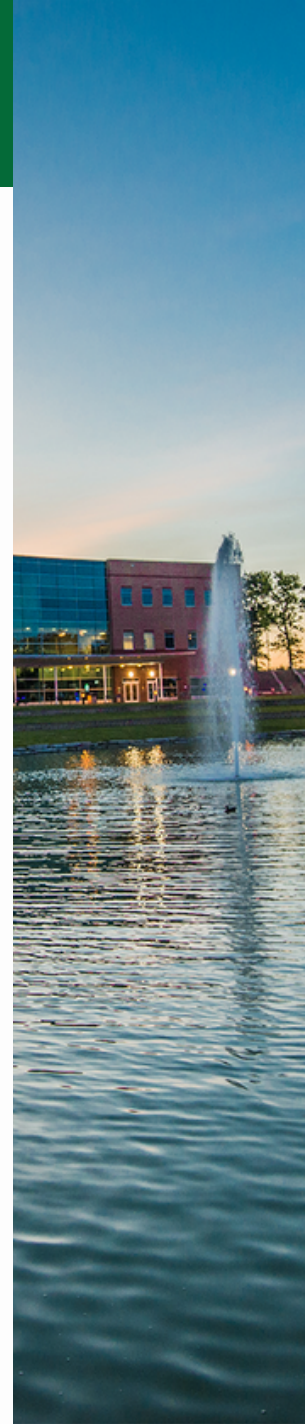

1. Log into my.emich.edu
2. Under the "Student Academic Services" box, click on the link for "Your Academic Records"
3. Click on UG Degree Audit (u.achieve) The most current audit will pull up on the screen (if one has already been ran)

How to Run your Audit

1. Click on the "Request Audit" button on the upper right hand side of the screen
2. Click "Run Declared Programs" if you would like to run a new audit with the program listed
3. Click "Select a Different Program" if you are looking to add a major, minor, double major, double minor, or concentration that has not yet been declared (what if scenario).
 - a. Select the catalog year you are following (should be the year you were admitted unless you had your catalog year changed)
 - b. Click "Run Different Program"

Reading your Audit

- The top of your audit will show your progress towards degree completion for your major & minor (if necessary). You will be able to open all sections to view all of your requirements towards graduation.
- Course requirements will be listed with three colors and corresponding symbols
 - Red X -- There are still requirements that need to be completed
 - Blue ... -- Requirements are in progress
 - Green $\sqrt{\quad}$ -- Requirements are complete

Resource Spotlight: TRIO

Eastern Michigan University's TRIO Student Support Services (SSS) is a program funded by the U.S. Department of Education to provide opportunities for:

- Academic development
- Assisting students with basic college requirements
- Motivating students who are first-generation, low-income, or have a documented disability toward the successful completion of their postsecondary education.

As part of EMU's TRIO SSS Program, students have access to tailored cultural activities to help them acclimate to the university and develop strong relationships with their peers, instructors, and advisors.
