HOLMAN LEARNING CENTER PROBATION CONTRACT

You currently are on academic probation. Your future enrollment **depends on how well you do in your current term of enrollment**. By University policy, any student first placed on probation will have only three semesters to raise the cumulative grade point average to 2.0 or face academic dismissal. **The more you can do to improve your performance, such as through study skill development and tutoring, the better.**

With this in mind, **you are required to read and sign this form and return it to Holman Learning Center (G04, Bruce T. Halle Library)**. Your signature will confirm that you understand the conditions of your probation and **that you agree to commit yourself to work with Holman Learning Center (734-487-2133)**.

I understand that, as conditions of my status of academic probation, I must act on each of the following:

1. I must raise my overall grade point average to 2.0 within three semesters after first being placed on academic probation. If I do not, I likely will be dismissed.
2. I must meet with a representative of Holman Learning Center, who will help me to develop a strategy for academic success. Holman Learning Center staff will monitor my participation and will inform the Assistant Director for Academic Actions in the Academic Advising Center of my contact with them and of my participation in workshops, etc.
3. I understand the University policies which affect me, such as withdrawal options and deadlines, and I am doing everything I can to improve my academic performance.
