## RE: Annual Dr. John A Weeks, FAIC, CPC Golf Outing

Dear Friends;

The Alumni Association would like to make you aware of the upcoming Dr. John A. Weeks scholarship golf outing. We are excited about hosting this year event at the Eastern Michigan University's beautiful Eagle Crest Golf Course. So please, mark your calendar and join us at this year's flagship event to be held at the **Eagle Crest Golf Club on Wednesday, September 10<sup>th</sup>.**

The scholarships generated by the annual John A. Weeks scholarship golf outing have provided students enhanced opportunities to complete their education in the Construction Management Program and pursue employment within the local construction industry. The scholarship began in 1992 by Dr. John A. Weeks along with faculty in their quest to establish Eastern Michigan's Construction Management Program as a reliable resource for the growing local construction industry's needs. For over 20 years, Dr. Weeks' special relationship with his students embodied the loyalty and trust that we all build our business around today. Our ability to fund scholarships for students is realized as a result of the generous support of companies like yours.

The Alumni Association requests your corporate assistance in sustaining the scholarship fund and supporting the Alumni Chapter's pursuit of professionalism in the local construction industry.
