GRCC courses indicated with an * are required for EMU’s Nursing Program.

2. Students whose transcripts are endorsed as “MACRAO Satisfied” will only be required to satisfy three of EMU’s general education requirements, noted on the articulation guide and listed below. These may be completed at the most convenient time for the student, whether before or after admission to EMU.
   a) an approved course in Quantitative Reasoning: [at GRCC: MA 110, 124, 127, 215] or [At EMU: MATH 110; or if MATH 104 or its equivalent has been completed with a “C” or higher, MATH 105, 118, 120, 170, COSC 106; PHIL 181, PLSC 210, or STS 224]

Students who don’t have “MACRAO Satisfied” on their community college transcript will be required to satisfy EMU’s general education requirements as listed in the Undergraduate Catalog. The MACRAO stamp may be completed after admission to EMU, however, students should inform advisors at EMU that they intend to complete MACRAO, or they may be advised to complete additional courses for the general education program.

3. Only courses with a grade of “C” or better (2.0 on a 4.0 scale) will be accepted for transfer to EMU.
