**Additional Information:**

1. In completing the coordinated program of study for this articulation agreement, course substitutions should be made with the guidance of the advisors at both institutions (indicated below) to assure that all requirements are satisfied. Each institution will determine the satisfaction of their individual program and degree requirements. Jackson courses indicated with an * are required for EMU’s Bachelor of Business Administration degree.

2. Students whose transcripts are endorsed as “MACRAO Satisfied” will only be required to meet three of EMU’s general education requirements, noted on the articulation guide and listed below. These requirements may be completed, as listed in this guide, at the most appropriate time for the student whether before or after admission to EMU.
   a) an approved course in Quantitative Reasoning: [at JCC: MAT 133, 141, 135, or 151] or [at EMU: MATH 110, or if MATH 104 Intermediate Algebra is completed with a “C” or better, students may choose from MATH 118, 119, 120, 170, COSC 106, PHIL 181, PLSC 210, SOCL 250, or STS 224.]
   b) an approved course in Global Awareness or US Diversity: Humanities: ENG 236, 249, 257; HIS 125, 235; MUS 130; PHL 243; Social Science: ANT 131; GEO 132; PLS 262; SOC 235, 236 at Jackson or [at EMU: refer to the catalog website: http://catalog.emich.edu/]
   c) One Learning Beyond the Classroom course or experience offered by EMU.

   To use MACRAO, students must request that an official community college transcript, with the “MACRAO Satisfied” stamp, be sent to EMU’s Admissions Office. Students, who do not have “MACRAO Satisfied” on their community college transcript, will be required to satisfy EMU’s general education requirements as listed in the Undergraduate Catalog. The MACRAO stamp may be completed after admission to EMU, however, students should inform advisors at EMU that they intend to complete MACRAO, or they may be advised to complete additional courses for the general education program.

3. Only courses with a grade of “C” or better (2.0 on a 4.0 scale) will be accepted for transfer to EMU.

4. Under this agreement, EMU will waive the 60-hour rule and require that a minimum of 42 credit hours must be completed at the four-year college level, of which 30 hours must be in courses offered by EMU, with 15 hours in program requirements, at the 300-level or above. Of the last 30 hours completed before graduating, at least 10 hours must be in courses offered by EMU. A minimum of 124 credit hours, completed in-residence or accepted in transfer, is required for graduation.

5. A minimum cumulative GPA of 2.0 is required for admission to EMU. Students with a community college GPA of 3.0 or higher will receive priority admission to the College of Business. Students whose community college GPA’s are less than 3.0 may apply and be conditionally admitted to the College of Business for the first semester at EMU and will be regularly admitted after successful completion of at least 12 credits at EMU with a minimum overall EMU (GPA) of 2.5.

6. Students are encouraged to contact the College of Business undergraduate advisor early, before completing an admission application to EMU. To facilitate the evaluation of transcripts, students should indicate they are using this articulation guide on their application to EMU and bring a copy to all advising sessions. Copies of this agreement are available at www.emich.edu/ccr/artguide.php.

**Effective Dates:** September 1, 2011 until August 31, 2014.

If this agreement is not renewed at the end of the effective period, students who already began the program at Jackson Community College will have an additional three years to be admitted to EMU under the terms of the agreement. Students who began the program prior to the effective date may use this agreement.
