

The Bachelor of Science in Administrative Management program is in the process of being phased out. As of fall 2005, no new students will be accepted into the program. Students who started the Administrative Assistant Technology/ Administrative Management articulated program at Washtenaw Community College prior to fall 2005 will be able to complete the program at EMU in a timely manner. Students should contact Darcelle White, Administrative Management Faculty Advisor, for help in making a plan to complete the program at EMU. See contact information below:
