

**EASTERN MICHIGAN UNIVERSITY  
ARTICULATION GUIDE**

October 2006

**Washtenaw Community College –AAS in Culinary & Hospitality Management  
Eastern Michigan University – Bachelor of Science in Hotel & Restaurant Management**

**Purpose:** **Bring a copy of this articulation agreement to all advising sessions.**

This articulation agreement is designed to provide a smooth curriculum transition for students who earn an Associate in Science in Culinary & Hospitality Management from WCC and transfer to EMU to earn a Bachelor of Science in Hotel & Restaurant Management. The agreement is designed to minimize loss of credits and duplication of coursework in transferring.

**Requirements:**

1. Complete the coordinated program of study for the Culinary & Hospitality Management program at WCC and the Bachelor of Science in Hotel & Restaurant Management at Eastern Michigan University, as indicated in this Guide. Any course substitutions should be made with the guidance of a counselor or advisor to assure that all requirements are met.
2. Students whose transcripts are endorsed as “MACRAO Satisfied” by the community college only will be required to meet EMU’s additional four general education requirements, indicated on the attached articulation guide with a “1”, and listed below:
  - a) A course in advanced written composition, speech, or a foreign language [ENG 226 or COM 102 at WCC]
  - b) A course in mathematical reasoning [MTH 160, 181, or 182 at WCC]
  - c) A cross-cultural course [ART 143 or 150; ENG 181 or 214; HST 150; PSY 107; or SOC 205 at WCC]
  - d) A course in computer literacy [A course from the list of approved computer literacy courses at EMU].

*To use MACRAO, students should request a MACRAO evaluation of their transcript in the Community College Student Records or Registrar’s Office. Students who do not satisfy MACRAO will have to complete all of EMU’s general education requirements.*

3. Only courses with a grade of “C” or better (2.0 on a 4.0 scale) will be accepted for transfer to EMU. A course completed with a grade of less than 2.0, will not transfer and will have to be repeated if it is a requirement of the program at EMU, even if it is used to satisfy the MACRAO agreement.
4. Under this agreement, EMU will waive the 60-hour rule and require that a minimum of 41 credit hours must be completed at the four-year college level. Thirty (30) hours must be at EMU, of which 15 hours must be in program requirements at the 300-level or above. Of the last 30 hours completed before graduating, at least 10 hours must be in EMU courses. A minimum of 124 credit hours, completed in-residence or accepted in transfer, is required for graduation.
5. Students must meet Eastern Michigan University’s admission requirements at the time of admission to EMU, including submitting transcripts from all previously attended colleges.
6. Students are encouraged to meet with the Hotel & Restaurant Management program advisor at EMU, early in the program, before completing an admission application to EMU. Students should bring a copy of this articulation guide to all advising sessions.

**Effective Dates:** October 1, 2003. This agreement has been **extended until September 1, 2007.**

WCC students who began this articulated program prior to fall 2007 may continue to use this articulation guide and will have at least three years beyond the ending date to be admitted to EMU under the terms of this agreement. Students who began this program at the community college prior to the effective date may use this articulation agreement to the extent that the curriculum followed is consistent with this agreement.
