Additional Information:

1. In completing the coordinated program of study for this articulation agreement, course substitutions should be made with the guidance of the advisors (indicated below) at both institutions to assure that all requirements are satisfied.
2. Only courses with a grade of “C” or better (2.0 on a 4.0 scale) will be accepted for transfer to EMU.
3. Under this agreement, EMU will waive the 60-hour rule and require that a minimum of 30 credit hours must be completed in courses offered by EMU, 15 hours of which must be in program requirements at the 300-level or above. Of the last 30 hours completed before graduating, a minimum of 10 credit hours must be in courses offered by EMU. A minimum of 124 credit hours, completed in-residence or accepted in transfer, is required for graduation.
4. Under this agreement General Education requirements, as listed in the articulation guide, may be completed at the most appropriate time for the student whether before or after admission to EMU.
5. Students must meet all admission requirements at the time of application for admission to EMU, including submitting transcripts from all previously attended colleges. Aiken students will receive equal consideration with other students for course registration and financial aid.
6. Students are encouraged to contact the Technology Management program advisor early, before applying to EMU. To facilitate the evaluation of transcripts, students should bring a copy of this articulation guide to all advising sessions. Copies are available on EMU’s webpage at www.emich.edu/ccr/artguide.php

Effective Dates: May 1, 2010 until April 30, 2013. If this agreement is not renewed at the end of the effective period, students who already started the program will be given three additional years to be admitted to EMU under the terms of this agreement. Students who enrolled at Aiken Technical College prior to the effective date may use this agreement.
