Additional Information:

1. In completing the coordinated program of study for this articulation agreement, course substitutions should be made with the guidance of the advisers (indicated below) at both institutions to assure that all requirements are satisfied. Each institution will determine the satisfaction of their individual program and degree requirements. HFC courses indicated with an * are required for EMU's Nursing Completion Program.
2. Students with the MTA endorsement on their community college transcript have satisfied EMU's General Education Core Requirements and will be required to complete only the General Education Application Requirements of one Perspectives on a Diverse World course, one Learning beyond the Classroom experience, and a Writing Intensive course in the major. The Perspectives on a Diverse World requirement may be satisfied at the community college as part of the MTA requirements.
To use the Michigan Transfer Agreement (MTA), students must request that an official community college transcript, with the "MTA Satisfied" endorsement be sent to EMU's Admissions Office. Students who do not have "MTA Satisfied" on their transcript, will be required to satisfy EMU's general education requirements as listed in the Undergraduate Catalog. The MTA may be completed after admission to EMU, however, students should inform advisors or they may be told to complete additional courses for the general education program. Students who enrolled at the community college prior to September 2014 may follow the MACRAO agreement.
3. Only courses with a grade of "C" or better (2.0 on a 4.0 scale) will be accepted for transfer to EMU.
4. Under this agreement, EMU will waive the 60-hour rule and require that a minimum of 30 credit hours must be completed in EMU courses, 15 hours of which must be in program requirements at the 300-level or above. Of the last 30 hours completed before graduating, a minimum of 10 credit hours must be in courses offered by EMU. A minimum of 124 credit hours, completed in-residence or accepted in transfer, is required for graduation.
5. Students should apply to both EMU and the School of Nursing RN/BSN Completion Option. The application for admission to EMU may be accessed from the EMU Office of Admissions website at <http://www.emich.edu/admissions/application/index.php>. Students must submit transcripts from all previously attended colleges. Students who speak English as a second language must submit a TOEFL or MELAB score that meets EMU requirements.
6. Contact Bobbi Towne (information below) for the Application for Admission to the RN/BSN Option. Students must comply with the program requirements in effect at the time of admission to the program. Current admission requirements include:
 - An EMU student identification number,
 - Submission of an application to the RN/BSN completion option,
 - Current unrestricted license to practice as a Registered Nurse,
 - Minimum cumulative GPA of 2.5 (on a 4.0 scale),
 - Minimum grade of 3.0 (on a 4.0 scale) in a college-level English Composition course,
 - Designation on application of first and second choices for site preference for coursework.
 - EMU School of Nursing requires background checks for all students entering any nursing program through Verified Credentials. To access the website www.myvci.com/emu.
 - Effective January 2015, completion of EMU's general education requirements or a transcript endorsed as "MTA Satisfied" or "MACRAO Satisfied" will be required for admission to the RN/BSN Completion program.
7. The RN/BSN Completion Option Coordinator will work with you to assist in exploration of degree requirements and evaluation of your application for admission. To facilitate advising and the evaluation of transcripts, sign up for this articulation agreement using the link www.emich.edu/ccr/trackingsystem/Enter.php, and bring a copy of this guide to all advising sessions.

Effective Dates: January 1, 2014 until December 31, 2016. This is a renewal of an agreement made in December 2004 and renewed in September 2007 and 2010. If this agreement is not renewed at the end of the effective period, students who already started the program will be given three additional years to be admitted to EMU under the terms of this agreement. Students who enrolled at HFC prior to the effective period may use this agreement. All coursework for this degree must be completed within six years of taking the first 200 level NURS course at EMU.
