

ALERT!

Students who begin college in September 2014 must follow the Michigan Transfer Agreement (MTA) requirements rather than the MACRAO requirements listed here. New MTA articulation guides will be posted to the EMU Community College Relations website soon. In the meantime, please see a community college counselor for more information about the MTA or look for more information at <http://www.macrao.org/mcm.asp?floor=4>.

ARTICULATION GUIDE**

January 2013

**Macomb Community College– Associate of Applied Science in Early Childhood Studies
Eastern Michigan University – BS in Liberal Arts in Elementary Education and Early Childhood Education**

Completion of Elementary Education and Early Childhood Education Majors at EMU

Early in their program, students seeking a major in ECE need to attend an elementary education group advising session followed by an early childhood group advising session. For the group advising schedule go to the link: <http://www.emich.edu/coe/oas/sessions.html>

Pre-Admission Requirements (25 credits)

Students with a community college decision GPA of 3.0 or higher, who have completed at least 56 transferable credits and have passed the Professional Readiness Examination may apply directly for admission to the Teacher Preparation Program. Students who do not meet these requirements must complete at least 12 credits at EMU to establish an overall GPA of 2.5 and a GPA of 2.5 in the major. The courses listed below may be used for this purpose. See the EMU undergraduate catalog for additional admission requirements at this link. <http://catalog.emich.edu/>

Successful completion of this course of study, in the context of other program requirements, qualifies students for recommendation for the Michigan Department of Education Elementary Provisional Certificate, which is valid for teaching all subjects k-5, for teaching in self-contained classrooms in grades six to eight. In addition, students who pass the Early Childhood Education MTTC are qualified for recommendation for endorsement in early childhood, certification code ZS.

EASTERN MICHIGAN UNIVERSITY ARTICULATION GUIDE

January 2013

Macomb Community College– Associate of Applied Science in Early Childhood Studies Eastern Michigan University – BS in Liberal Arts in Elementary Education and Early Childhood Education

Additional Information:

1. In completing the coordinated program of study for this articulation agreement, course substitutions should be made with the guidance of the advisors (indicated below) at both institutions to assure that all requirements are satisfied. Each institution will determine the satisfaction of their individual program and degree requirements.
2. Students whose transcripts are endorsed as “MACRAO Satisfied” will be required to satisfy only three of EMU’s general education requirements, noted on the articulation guide and listed below. These requirements may be completed at the most appropriate time for the student whether before or after admission to EMU.
 - a) An approved course in Quantitative Reasoning: [MATH 1290 at MCC] or [MATH 110E at EMU]
 - b) An approved course in Global Awareness or U.S Diversity: [GEOG 101 at MCC] or [GEOG 110 at EMU]
 - c) An approved “Learning beyond the Classroom” experience offered by EMU: [EDUC 498 at EMU]

To use MACRAO, students must request an official community college transcript, with the “MACRAO Satisfied” stamp, be sent to EMU’s Admissions Office. Students, who do not have “MACRAO Satisfied” on their community college transcript, will be required to satisfy EMU’s general education requirements as listed in the Undergraduate Catalog. The MACRAO stamp may be completed after admission to EMU, however, students should inform advisors at EMU that they intend to complete MACRAO, or they may be advised to complete additional courses for the general education program.
3. Only courses with a grade of “2.0” or better on a “4.0” scale will be accepted for transfer to EMU.
4. A minimum of 60 semester hours must be completed at the four-year college/university level. At least 9 hours in the major and 6 hours in the minor at the 300- level or higher must be completed at EMU. Of the last 30 semester hours prior to graduation, at least 10 hours must be completed in courses offered by EMU. A minimum of 124 credit hours, completed in-residence or accepted in transfer, is required for graduation.
5. Students with a community college grade point average (GPA) of 3.0 or higher, who have completed at least 56 transferable credits, and have passed the Professional Readiness Examination, may apply to the Teacher Preparation Program. Students who do not meet these requirements must complete at least 12 credits at EMU to establish an EMU (GPA) of 2.5 and a GPA of 2.5 in the major. Other admission criteria include: satisfactory health status, satisfactory social and emotional adjustment, submission of an autobiography, and freedom from any kind of probation.
6. Students are encouraged to attend an EMU Elementary Education group advising session and an individual advising session with the EMU Teacher Education Department faculty before applying for admission to EMU. To facilitate the evaluation of transcripts, students should indicate they are using this articulation guide on their application and bring a copy of the articulation guide to all advising sessions at EMU.

This agreement is effective as of **January 1, 2013 until January 1, 2016.**

If this agreement is not renewed at the end of the effective period, students who already started the program will be given three additional years to be admitted to EMU under the terms of this agreement. Students who started this program before the effective date may use this agreement.
