FERPA Statement:

Under the Family Educational Rights and Privacy Act (FERPA) of 1974, updated January 2009, I understand that my educational records cannot be released without my written permission. I authorize the release of my academic records from Eastern Michigan University to MCC, and the release of any additional academic records from MCC to Eastern Michigan University, in order to share student data information between the two institutions without the violation of FERPA. I understand that I have the right to rescind this release agreement at any time by notifying the Office of Records and Registration at Eastern Michigan University and the Office of the Registrar at Mott Community College.

My signature below is agreement that:

- ✓ I understand the FERPA statement and agree to my student records being shared between EMU and MCC for the purpose of credit evaluation to determine the awarding of an Associate Degree from Mott Community College.
- ✓ If applicable, an appropriate Associate Degree will be awarded based on my records, requirements of the degree, and credits earned. If I have completed the requirements of any degree program at MCC, I will be awarded the degree. In some cases the awarded Associate Degree may not be the degree I declared that I was pursuing while a student at MCC.
- ✓ If it is appropriate to award an Associate Degree, my signature below gives permission to MCC to award the degree and notify me of the results without further intervention on my part.
