

September 2014

Information Assurance Articulation Agreement Renewal

The BS in Information Assurance and AAS in CIS-IT for Homeland Security articulation agreement with Oakland Community College is being revised and renewed. The Sept 2012 version of the agreement is posted in the “Archived Agreement Guides-Pre-2014”.

http://www.emich.edu/ccr/archartguides/pre2014fall/occ_informationassurance_p14.pdf

A revised version of the agreement is in progress and will be posted on the website after it is finalized. Students who began this articulated program at OCC prior to September 2015 may continue to follow the articulation agreement, and will have until August 2018 to transfer to EMU under the agreement. Some course titles and numbers have changed. Students should contact the EMU IA program coordinator for help in completing the program at EMU.
