\* Required for EMU's Secondary Education program all majors.

<sup>1</sup> Complete MTH 170, 130, or 131 at Owens to satisfy EMU's Quantitative Reasoning Requirement. If completed at EMU, MATH 110 is required, unless waived by ACT/SAT or math placement test.

NOTE: Courses on this page that transfer as university electives or general transfer credit will be counted toward the total credits for graduation.

**EASTERN MICHIGAN UNIVERSITY  
ARTICULATION GUIDE**

May 2013

**Owens Community College –Associate of Arts in Adolescence Education Transfer  
Eastern Michigan University – Bachelor of Science in Secondary Education**

**Completion of Secondary Education Program at EMU**

**First Semester at EMU**

Students with a community college GPA of 3.0 or higher, who have completed at least 56 transferable credits and have passed the Professional Readiness Examination may apply directly for admission to the Teacher Preparation Program. Students who do not meet these requirements must complete at least 12 credits at EMU to establish an overall GPA of 2.5 and a GPA of 2.5 in the major. Courses for the major and minor may be used for this purpose.

**Remaining Major/minor Requirements (36-60 credits)**

Students must complete an approved major and (certain teaching majors excepted) minor. Credit hours are approximate and will vary depending on the major and minor chosen and the number of major and minor courses completed at the community college.

Major/minor courses ..... 36-60

For information on approved secondary education majors and minors go to:

<http://www.emich.edu/coe/students/undergraduate/types/secondary.html>

**Professional Studies (27 credits)**

**Phases I & II Courses (18 credits)**

CURR 305	Curriculum & Methods-Secondary .....	3
EDPS 340	Intro to Assessment & Evaluation .....	3
PRCT 305	Practicum I: Secondary .....	3
PRCT 311	Practicum II: Secondary .....	3
RDNG 311	Teaching Reading in Secondary School .....	3
	Specialized Methods of Teaching course in subject area .....	3

**Phase III Capstone Experience (9 credits)**

<sup>1</sup> EDUC 492	Student Teaching .....	9
-----------------------	------------------------	---

**Credits at EMU: ..... 60-85**

**Approximate Credits to Graduate: ..... 124-151**

<sup>1</sup> Satisfies EMU's Learning beyond the Classroom requirement.

*NOTE: Credits at EMU and total credits will vary depending on major and minor as well as specific courses selected.*

**Owens Courses That Transfer for Secondary Education Majors and Minors**

These courses may be used to satisfy electives in Owen's Adolescence Education Transfer program. Although all of the courses listed below will transfer to EMU, students should select carefully so that they will be able to meet the minimum requirements at EMU. A minimum of 60 credits toward the program total must be completed at the four-year college level; and at least 9 hours in a major and 6 hours in a minor, both at the 300/400 level, must be completed at EMU. Majors include a minimum of 30 credits and minors a minimum of 20 credits. For information on secondary education majors/minors go to: <http://catalog.emich.edu/>.

# EASTERN MICHIGAN UNIVERSITY ARTICULATION GUIDE

May 2013

## Owens Community College –Associate of Arts in Adolescence Education Transfer Eastern Michigan University – Bachelor of Science in Secondary Education

### Additional Information:

1. In completing this coordinated program of study for this articulation agreement, course substitutions should be made with the guidance of the advisors (indicated below) at both institutions to assure that all requirements are satisfied. Each institution will determine the satisfaction of their individual program and degree requirements. Owens courses indicated with an \* are required for EMU's Secondary Education Program.
2. Although this agreement includes EMU's general education requirements, students whose transcripts are endorsed as "Ohio Transfer Module Satisfied" will only be required to satisfy three of EMU's general education requirements listed below.
  - a) An approved course in Quantitative Reasoning: [MTH 170, 130, or 131 at Owens] or [MATH 110 at EMU]
  - b) An approved course in Global Awareness or U.S Diversity: [ENG 215 at Owens]
  - c) An approved Learning beyond the Classroom course or experience offered by EMU: [EDUC 492 at EMU]*Completing the Transfer Module does not exempt students from satisfying major or program requirements. Under this agreement General Education requirements may be completed at the most appropriate time for the student whether before or after admission to EMU. The Transfer Module may be completed after admission to EMU, however, students should inform advisors at EMU if they intend to complete the OTM or they will be advised to complete EMU's general education program.*
3. Only courses with a grade of "2.0" or better on a "4.0" scale will be accepted for transfer to EMU.
4. A minimum of 60 semester hours must be completed at the four-year college/university level. At least 9 hours in the major and 6 hours in the minor at the 300- level or higher must be completed at EMU. Of the last 30 semester hours prior to graduation, at least 10 hours must be completed in courses offered by EMU. A minimum of 124 credit hours, completed in-residence or accepted in transfer, is required for graduation.
5. Students with a community college grade point average (GPA) of 3.0 or higher, who have completed at least 56 transferable credits, and have passed the Professional Readiness Examination, may apply directly to the Teacher Preparation Program. Students who do not meet these requirements must complete at least 12 credits at EMU to establish an EMU (GPA) of 2.5 and a GPA of 2.5 in the major. Other admission criteria include: satisfactory health status, satisfactory social and emotional adjustment, submission of an autobiography, and freedom from any kind of probation.
6. Students are encouraged to attend an EMU Secondary Education group advising session and an individual advising session with the EMU Teacher Education Department faculty before applying for admission to EMU. To facilitate the evaluation of transcripts, students should indicate they are using this articulation guide on their application and bring a copy of the articulation guide to all advising sessions at EMU.

### Effective Date: May 1, 2013 until April 30, 2016

This is a renewal of an agreement made in September 2009. If this agreement is not renewed at the end of the effective period, students who already began the program at Owens will have an additional three years to be admitted to EMU under the terms of the agreement. Students who began the program prior to the effective date may use this agreement.
