## EASTERN MICHIGAN UNIVERSITY ARTICULATION GUIDE

January 2012

### Washtenaw Community College– Associate in Arts in Early Childhood Education Eastern Michigan University – BS in Liberal Arts in Elementary Education and Early Childhood Education

#### Additional Information:

1. In completing the coordinated program of study for this articulation agreement, course substitutions should be made with the guidance of the advisors (indicated below) at both institutions to assure that all requirements are satisfied. Each institution will determine the satisfaction of their individual program and degree requirements. WCC courses indicated with an \* are required for EMU's Elementary Education Program.
2. Students whose transcripts are endorsed as "MACRAO Satisfied" will be required to satisfy only three of EMU's general education requirements, noted on the articulation guide and listed below. These requirements may be completed at the most appropriate time for the student whether before or after admission to EMU.
  - a) An approved course in Quantitative Reasoning: [included in program]
  - b) An approved course in Global Awareness or U.S Diversity: [included in program]
  - c) An approved "Learning beyond the Classroom" course or experience offered by EMU: [included in program]

*To use MACRAO, students must request an official community college transcript, with the "MACRAO Satisfied" stamp, be sent to EMU's Admissions Office. Students, who do not have "MACRAO Satisfied" on their community college transcript, will be required to satisfy EMU's general education requirements as listed in the Undergraduate Catalog. The MACRAO stamp may be completed after admission to EMU, however, students should inform advisors at EMU that they intend to complete MACRAO, or they may be advised to complete additional courses for the general education program.*
3. Only courses with a grade of "2.0" or better on a "4.0" scale will be accepted for transfer to EMU.
4. A minimum of 60 semester hours must be completed at the four-year college level, 30 hours of which must be completed at EMU, with at least 9 hours in the major and 6 hours in the minor at the 300- level or higher. Of the last 30 semester hours prior to graduation, at least 10 hours must be completed in courses offered by EMU. A minimum of 124 credit hours, completed in-residence or accepted in transfer, is required for graduation.
5. Students with a community college grade point average (GPA) of 3.0 or higher, who have completed at least 56 transferable credits, and have passed the Professional Readiness Examination, may apply to the Teacher Preparation Program. Students who do not meet these requirements must complete at least 12 credits at EMU to establish an EMU (GPA) of 2.5 and a GPA of 2.5 in the major. Other admission criteria include: satisfactory health status, satisfactory social and emotional adjustment, submission of an autobiography, and freedom from any kind of probation.
6. Students are encouraged to attend an EMU Elementary Education group advising session and an individual advising session with the EMU Teacher Education Department faculty before applying for admission to EMU. To facilitate the evaluation of transcripts, students should indicate they are using this articulation guide on their application and bring a copy of the articulation guide to all advising sessions at EMU.

This agreement is effective as of **January 1, 2012 until January 1, 2015.**

If this agreement is not renewed at the end of the effective period, students who already started the program will be given three additional years to be admitted to EMU under the terms of this agreement. Students who started this program before the effective date may use this agreement.
