ARTICULATION AGREEMENT BETWEEN
[Name of Community College]
[CCProgram]
and
Eastern Michigan University
Bachelor's of Science in Elementary Education

Article I
Agreement on Principle

[Name of Community College] ([XXX]) and Eastern Michigan University (EMU) have developed this articulation agreement for students who choose to earn an Associate in Arts in Elementary Education from [XXX] and transfer to EMU to earn a Bachelor's of Science in Elementary Education. The purpose of the agreement is to provide a smooth curriculum transition for students, allowing them to transfer from [XXX] to EMU without loss of credits or duplication of coursework. Eastern Michigan University and [Name of Community College] enter into this agreement as cooperating, equal partners who shall maintain the integrity of their separate programs.

Article II
Agreement on Program Specifics

[Name of Community College] and Eastern Michigan University agree that any student who has earned an Associate in Arts in [CCProgram] may transfer the credits indicated on the attached Curriculum Guide toward a Bachelor's of Science in Elementary Education at Eastern Michigan University. The bachelor's degree graduation requirements for students who follow this transfer program agreement are as follows:

1. Complete the Associate in Arts in [CCProgram] from [Name of Community College] and the coordinated Bachelor's of Science in Elementary Education as indicated in the attached Curriculum Guide.
2. Students whose transcripts are endorsed as "MACRAO Satisfied" by the community college will only be required to meet EMU's additional four general education requirements. 1) a course in advanced written composition, advanced speech, or a foreign language, 2) a course in mathematical reasoning (unless waived by ACT scores), 3) a cross-cultural course, and 4) a course in computer literacy. Students who follow the attached Curriculum Guide will complete MACRAO and EMU's additional four requirements at the community college. To avoid losing the benefits of the MACRAO agreement, substitutions for required courses should only be made with the guidance of a program advisor or a counselor.
3. When applying to EMU, an official transcript, stamped "MACRAO Satisfied", must be sent to EMU's Office of Records and Registration. Students must request this in the [XXX] Student Records Office.
4. Only courses with a grade of "C" or better (2.0 on a 4.0 scale) will be accepted for transfer to EMU. This also applies to courses used to satisfy MACRAO. A Course completed with a grade less than 2.0, which is counted toward graduation at the community college, may be used to satisfy basic MACRAO requirements. However, the course will not transfer and will have to be repeated if it is a requirement of the Secondary Education Program.

5. Admission to the Teacher Education program is not automatic. Transfer students should start to apply for admission to the Teacher Education program during their first semester at EMU. To apply, students must have completed at least 56 credits and at least 12 credits at EMU with an overall EMU grade point average (GPA) of 2.5 and a GPA of 2.5 in the major or three minors. Other admission criteria include: successful completion of the state-mandated basic skills test, satisfactory health status, satisfactory social and emotional adjustment, submission of an autobiography, and freedom from any kind of probation.
6. Students must meet Eastern Michigan University's admission requirements at the time of admission to EMU, including submitting transcripts from all previously attended colleges.
7. Students interested in transferring to EMU should sign-up for one of EMU's Elementary Education Group Advising sessions early in the program, before completing an admission application to EMU. To facilitate the evaluation of your transcript, bring a copy of the articulation agreement to your elementary education group advising session and all individual advising sessions at EMU. An advising copy of this agreement will be available on EMU's webpage.

Article III

Agreement on Communication

[Name of Community College] and Eastern Michigan University agree to cooperate in communicating with each other and with common and respective publics concerning the established relationship between the two institutions. Communication may include the development of various kinds of publications to inform those who might benefit personally or professionally from the opportunities provided by this agreement. Faculty and staff at both institutions will share the information in this agreement with interested and qualified students and both institutions will provide counseling and advising to students and prospective students.

Article IV

Maintenance and Review Body and Procedures

At least one administrative or faculty member from each institution will be appointed to act as agents for the implementation of this agreement, to speak for the institutions and to communicate changes to respective faculty members, advisors, counselors, and others to whom the information is pertinent. Responsibility for oversight of this agreement rests with the [Responsible Person] at [Name of Community College] and the Head of the Teacher Education Department at Eastern Michigan University.

[Name of Community College] and Eastern Michigan University agree to communicate annually any curriculum changes in their respective programs that may affect this articulation agreement. During the third year, both parties will review the agreement for revision and renewal. If this agreement is not renewed at the end of the effective period, students who have selected and designated this articulated program prior to termination of the agreement will be given three additional years, beyond the initial three, to be admitted to EMU under the terms of this agreement.

This agreement is effective as of **[Effective date until ending date]**.

Students who began this program at the community college prior to the effective date may use this articulation agreement

**ARTICULATION AGREEMENT BETWEEN
[Name of Community College] and Eastern Michigan University
Associate in Arts in [CCProgram]
Bachelor’s of Science in Elementary Education**

[Name of Community College] and Eastern Michigan University agree to the terms of this agreement, which will be for an initial period of three (3) years. During the third year, both parties will review the agreement for revision and renewal. If this agreement is not renewed at the end of the effective period, students who have selected and designated this articulated program prior to discontinuation of the agreement will be given three additional years, beyond the initial three, to be admitted to EMU under terms of this agreement.

--	---

* These courses or approved substitutes must be included on the student's transcript to satisfy MACRAO.

¹ gtc = general transfer credit

² One of EMU's additional 4 MACRAO requirements

³ Choose a course from the [XXX] major/minor courses below. Courses already use to satisfy requirements above may not be used.

** Students may dual-enroll in FETE 201 at EMU concurrently with enrollment in PSY 220 at [XXX]. See an advisor for more information.

L=Language Arts Group; M=Mathematics; S=Social Studies Group; C=Science Group (Courses labeled with L, M, S, or C may be counted toward the total credits required for that major or minor.)

[XXX] Courses That Apply to Elementary Education Majors

These courses may be used to satisfy the major/minor elective in [XXX]'s program above. Although all of the listed courses below will transfer to EMU, students should limit the number of electives they take at the community college. A minimum of 60 credits toward the program total must be completed at the four-year college level; And at least 9 hours in the major and 6 hours in the minor at the 300/400 level must be completed at EMU. For more information about elementary education major and minor requirements, refer to the EMU Undergraduate Catalog on-line at emich.edu.

[XXX] Courses	EMU Equivalent:
Language Arts Group Major	
.....	CTAR 222 <i>Drama & Play in the Human Experience</i> 3
.....	LING 201 <i>An Introduction to Linguistics</i> 3
.....	RDNG 220 <i>Instructional Uses of Trade Books</i> 3
*Do not take more than one course from the following:	
.....	CTAC 227 <i>Interpersonal Communication</i> 3
.....	ENGL 225 <i>Adv. English Composition</i> 3
.....	CTAC 225 <i>Listening Skills</i> 3
*Choose a course that has not already been completed	
Mathematics Teaching Major	
.....	MATH 120 <i>Calculus I</i> 4
Do not take more than two courses from the following:	
.....	MATH 110 <i>Mathematical Reasoning</i> 3
.....	MATH 118 <i>Linear Models and Probability</i> 3
.....	MATH 122 <i>Elementary Linear Algebra</i> 3
.....	MATH 170 <i>Elementary Statistics</i> 3
Science Group Major	
Do not take more than three courses from the following:	
.....	ASTR 203 <i>Exploration of the Universe</i> 3
.....	ASTR 203 <i>Astronomical Investigations</i> 1
.....	BIOL 105 <i>Introductory Biology for Non-Majors</i> 4
.....	BIOL 205 <i>Field Biology</i> 4
.....	BIOL 224 <i>Principles of Conservation</i> 4
.....	ZOO 222 <i>General Zoology</i> 4
.....	BOTN 215 <i>Economic Botany</i> 3
.....	BOTN 221 <i>General Botany</i> 4
.....	CHEM 115 and 116 <i>Chemistry & Society w/lab</i> 4
.....	CHEM 117 and 118 <i>Fundamentals of Chemistry w/lab</i> 4
.....	CHEM 120 <i>Fundamentals of Organic & Biochemistry</i> 4
.....	CHEM 121 and 122 <i>General Chemistry I w/lab</i> 4
.....	ESSC 114 <i>National Parks and Monuments</i> 2
.....	ESSC 120 <i>The Fossil Record</i> 3
.....	ESSC 160 <i>Physical Geology</i> 4
.....	ESSC 161 <i>Historical Geology</i> 4
