Gainful Employment Disclosures – 2019
Graduate Certificate in Information Technology Governance

This program is designed to be completed in one year.

This program will cost $12,688 if completed within normal time and if no prerequisites are required (cost represents resident tuition & fees, textbooks, parking permit; additional fees for online courses). There may be additional costs for living expenses. NOTE: these costs were accurate at the time of posting, but may have changed.

Of the students who completed this program within normal time, the typical graduate leaves with $NA of debt.

Michigan does not have licensure requirements for this profession.
