Comments: <p>Reviewers compliment the program for its prior NMSA and NCATE program approval, experienced and qualified faculty, and MTTC passing percentage.</p> <p>The course work of this additional endorsement may be combined with 15 semester hours of other added graduate course work leading to a Master of Arts in Middle Level Education.</p> <p>The institution is requested to correct the 2-letter endorsement code it attributes to the middle level endorsement. The MDE identified the middle level endorsement as "ZL". Some of the university's online application materials use the old middle school code, "ZD".</p> <p>The institution is encouraged to begin collecting program performance outcome data related to the Middle Level standards because program performance will be the basis of subsequent periodic reviews.</p>
