

Student Teaching Application and Requirements

Student Teaching is administered through the COE-Office of Academic Services in 206 Porter (734.487.1416). Applications are available online at: <http://www.emich.edu/coe/oas/apps.html>

1. Due dates for Student Teaching applications:

January	15	Fall Semester
June	15	Winter Semester

2. Courses that must be completed before Student Teaching (Cannot be taken concurrently):

1. Psychological Foundations: EDPS 322 and EDPS 340
[and EDPS 325 for Special Education only]
2. Curriculum Foundations: CURR 305
3. Sociological Foundations SOFD 328
4. Methods: RDNG 311 and content methods course in major
5. The majority of courses in major area (all but one course)
6. A computer course: EDTC 300 or EDMT 330 or equivalent; Special Ed = SPGN 481

3. Placement Restrictions:

- a. Students may list three choices of school districts on application.
- b. Students may not arrange their own student teaching assignments. The College of Education Office of Academic Services will not honor prior arrangements. This can delay placement by a full semester in these cases.
- c. Students may not student teach in districts where they attended high school or where there is a significant relationship in the district, e.g. spouse or parent is a teacher or administrator.

4. Certification Requirements:

- a. The Michigan Department of Education will **not** issue a Michigan certificate if a candidate has not taken and passed the appropriate certification tests in their major **and** minor.

5. Student Teaching: Students must register for appropriate course/s and credit hours.

1. **Special education students doing regular education student teaching:** EDUC 499 - 6 credit hours (two full, three half days, all semester)
2. **Special education students doing special education student teaching :** EDUC 491 - 10 credit hours
3. **Art, music, and physical education:** EDUC 496 AND EDU 497 - 6 credit hours each
4. **Regular secondary education students, undergraduate or graduate:** EDUC 492 - 12 credit hours

Students with special needs should contact the Dean of Students in 212 King Hall or the Associate Dean in 206 Porter before the beginning of student teaching placements.
