

SPEECH/HEARING SCREENINGS

are an admission requirement

Beginning **November 1, 2008**, applicants to the initial teacher preparation program need to pass a speech and hearing screening before program admission. Free tests will be offered to EMU students on a walk-in basis in the College of Education Speech Clinic (135 Porter) at the following times.

- The first five days of fall and winter semesters, 9-11 am and 1-4 pm
- Fridays from 9 am until 12 pm (10/10, 10/17, 10/24, 10/31, 11/07, 11/14, 12/05, 12/12). Similar dates for Winter 2009 are forthcoming.

Note: In lieu of the COE Clinic option, students can make an appointment with an audiologist and speech pathologist at a business like Beltone. These services will most likely have a charge associated with them.
