Chapter 0099

Eastern Michigan University, chapter 0099 is celebrating its 50th anniversary this year, 2007. The chapter has been reorganized and up-dated and is looking forward to another 50 years of active support to public schools, promoting professionalism in education, and providing scholarships and other aides to undergraduates and graduates students in the field of education.

The EMU chapter has changed since its beginning year in 1957 with Max W. Hesselgrave as first president but the mission remains the same. Our mission is to promote quality education, with particular emphasis on publicly supported education, as essential to the development and maintenance of a democratic way of life.

The PDK pledge includes but is not limited to the following:

- To promote the scientific study of education
- To foster the profession teaching
- To advance the fields of knowledge and a liberal culture, and
- To uphold the ethical ideals of life of serve

The EMU Chapter strives to uphold these tenets and to this end is offering you the opportunity to transfer your membership from other universities to the EMU Chapter, reinstate your expired membership or if you have not joined PDK, you may do so today.

Also the Chapter has received a foundation contribution grant to pay for the memberships for our College Graduate Assistants and Doctoral Fellows this year.
