THE PROFESSIONAL EDUCATION FACULTY

Of

EASTERN MICHIGAN UNIVERSITY

1. There shall be a Professional Education Faculty@ at Eastern Michigan University. For a given academic year (and the following Spring/Summer), the members of the Professional Education Faculty shall consist of the persons (tenure-track, lecturer, adjunct lecturer) from throughout EMU who teach, or who are scheduled to teach, any of the courses (the Professional Education Courses@) listed in Appendix A. In addition, the Heads of all EMU departments that include one or more Professional Education Courses and the Deans and Assistant/Associate Deans of all EMU colleges that include one or more Professional Education Courses shall be members of the Professional Education Faculty. The Professional Education Executive Board shall select two students (each in a professional education program) and two PK-12 practitioners to serve one-year terms on the Professional Education Faculty. At the discretion of the chair, guests may attend meetings of the Professional Education Faculty, with voice but no vote.
2. The Professional Education Faculty shall meet at least twice a year, once near the beginning of the Fall semester and once during the Winter semester. The chair of the Professional Education Faculty may call additional meetings.
3. The Professional Education Faculty shall have two officers, elected by the group, from among the members of the group. These will be a chair and a secretary. Each will serve a one-year term and each will be elected during the Winter semester meeting of the Professional Education Faculty, to serve during the following academic year (and the Spring/Summer terms after the following academic year). The chair and the secretary shall be from two different colleges. There shall be no limit to the number of terms that the chair or the secretary may hold.
4. A quorum of the Professional Education Faculty shall consist of those members of the Professional Education Faculty who are present at an official meeting.
5. The chair, in consultation with the Dean of the College of Education, the Dean of the College of Arts and Sciences, and the Dean of the College of Technology (or their designees), shall set the dates, times, and places of meetings of, and the agendas for, the Professional Education Faculty. The chair, or in her/his absence, the secretary, will preside over meetings of the Professional Education Faculty.

6. The secretary, in consultation with the Dean of the College of Education, the Dean of the College of Arts and Sciences, and the Dean of the College of Technology (or their designees), shall maintain the membership list of the Professional Education Faculty, shall cause minutes of the meetings to be taken, and shall provide minutes for posting to the EMU web site where such records are maintained for NCATE accreditation and State program approval purposes. The secretary shall maintain the official membership lists of the Standing Committees and of the terms of office on these committees. The secretary shall maintain such other records related to the work of the Professional Education Faculty as may be generated, including transmittal of actions of the body to the appropriate authorities for further processing. At the conclusion of the secretary's term of office, she/he shall turn over to his/her successor all records related to the work of the Professional Education Faculty.

7. The meetings of the Professional Education Faculty shall, in general, include (a) reports from the Standing Committees, (b) information sharing about the professional education programs of Eastern Michigan University and the external influences on these programs, (c) discussion of current educational issues, and (d) consideration of future directions of the professional education program. The Professional Education Faculty may make informal or formal recommendations to any of the Standing Committees or to the Professional Education Executive Board. The Professional Education Faculty may create ad hoc committees.

8. During the Winter semester meeting of the Professional Education Faculty, the body shall elect a Nominations and Elections Committee. This committee shall consist of five members of the Professional Education Faculty. This committee must include at least one member from each College represented among the members of the Professional Education Faculty. The Nominations and Elections Committee shall select its own chair.

9. It shall be the responsibility of the Nominations and Elections Committee to prepare a slate of nominees for all Standing Committee vacancies. (See Standing Committee structures below.) Nominees, other than students and PK-12 representatives, shall be members of the Professional Education Faculty at the time of nomination. Each person nominated shall have agreed to serve, if elected. Ordinarily, the slate of nominees will be presented to the Fall meeting of the Professional Education Faculty, at which point nominations from the floor will be accepted and an election will be conducted. However, unless the Professional Education Faculty determines otherwise, the Nominations and Elections committee may, if it wishes, solicit additional nominations for any vacant position by email or by campus mail and may hold the election by electronic or paper ballot. (Any person so nominated must agree to serve, if elected, prior to being placed on the ballot.) In such a case, the chair of the Nominations and Elections Committee shall report the outcome of the election to the chair and to the secretary.
