Note 1: Students in some teaching fields take a different pattern of courses in professional studies. How is the assessment of the attribute to be handled in these cases?							
Note 2. "W03" = Winter semester 2003. "Sample" indicates a sample of the sections offered. "Population" includes the entire eligible group. "Resp" = respondents to a survey of a population.							
Note 3. For the available information on the subject, please see the indicated exhibit.							
Note 4. "BPC" = Basic Programs Committee; "APC" = Advanced Programs Committee. "et al." includes heads of relevant academic departments, deans, other administrators and groups "Administrators" includes all relevant academic administrators. The date is that of the report to the group or leader.							
Note 5. "Reporting Cycle" indicates the usual period of time when data are aggregated, reviewed, and reported. "Annual" means once a year, for example.							
Note 6. There are few entries in this column as of yet, due to the newness of the EMU assessment system. However, the intent is to track curricular/program changes resulting from review of assessment results.
