CIVIL/CRIMINAL CONVICTIONS ISSUES

What are Enumerated Offenses?

Michigan Teacher Certification

If a teacher candidate has any enumerated offense, s/he must provide either a *Judgment of Sentence, Registration of Actions*, or a *Certification of Conviction*, along with a written explanation of the offense(s), to the Office of Academic Services (206 Porter Building, 487-1416). Admission and continuance decisions are based on, among other things, information about the civil/criminal convictions of the teacher candidate.

Please be advised that teacher candidates with civil/criminal conviction issues are not guaranteed certification even if they successfully complete a teacher preparation program. The decision to certify a teacher is made by the Michigan Board of Education through the Michigan Department of Education (MDE). The MDE can decide not to certify candidates with civil/criminal conviction issues regardless of their academic performance. EMU requires candidates with civil/criminal conviction issues to sign a letter of acknowledgement for admission and continuance.

Teacher candidates are recommended for certification once they complete all program requirements. Teacher candidates with any enumerated offense will undergo administrative review with the MDE. Administrative review takes at least 30 days. A teacher candidate with an enumerated offense is not eligible for a 90-day letter until after the review is complete and it is determined that the teacher candidate is eligible for certification.

Enumerated Offenses That *May Prevent Teacher Certification

1. Any felony conviction
2. Criminal sexual conduct in the fourth degree or an attempt to commit that crime.
3. Child abuse in the third or fourth degree or an attempt to commit that crime.
4. A misdemeanor involving cruelty, torture, or indecent exposure involving children.
5. A misdemeanor violation of distributing marihuana on school property,
6. A violation of any section from the Michigan Penal Code in the following areas: breaking and entering, presence of minor under 17 in places where liquor is sold, lewd and lascivious behavior, contributing to the neglect or delinquency of a minor, removing items from a vacant dwelling.
7. A misdemeanor violation from the Michigan Penal Code in the following areas: assault and battery, domestic violence, selling or furnishing alcoholic liquor to a person less than 21 years of age.
8. More than one: Driving Under the Influence (DUI) or Operating Under the Influence of Liquor (OUIL).
9. A violation of a substantially similar law of another state, of a political subdivision of this state or another state, or of the United States.
10. More than one minor in possession conviction.
11. More than one misdemeanor of any kind.

** Note: Enumerated offenses can negatively impact Michigan teacher certification, candidate marketability, or both.*

School districts will ask applicants for criminal background information. School districts can hold applicants to higher standards than are required by the state.
