

Student Teaching with an Early Childhood Minor

EMU student teaching requirements/policies must be followed, such as due dates for applications, prerequisites, etc.

Students following the Elementary Curriculum complete two student teaching experiences:

- One at the elementary level (grades 1 - 3).
- One at the pre-kindergarten level.

Students with a minor in Special Education complete three student teaching experiences:

- One at the elementary level (grades 1-3).
- One at the pre-kindergarten level.
- A special education placement with children under age 9.

EFFECTIVE FALL TERM 1994

1. A student can enroll in only one student teaching placement a term.
2. Elementary Student Teaching
 - a. To be completed prior to pre-kindergarten or special education placement.
 - b. Students on Elementary Curriculum with Early Childhood Minor enroll in EDU 490 8 credit hours: 5 mornings, 3 afternoons each week for an entire semester. Students with Special Education major follow Special Education requirements for the elementary and special education placements.
 - c. Other classes, including CURR 314, EDPS 307, EDPS 318, EDPS 341 and electives for the ECE minor may be taken in the open afternoons.
3. Pre-kindergarten Student Teaching: EDU 495 4 credit hours
 - a. To be completed after the successful completion of an elementary placement.
 - b. Placement is for 5 mornings or 5 afternoons each week for an entire semester.
 - c. CUR 302 and 303 (373/478) and EDPS 341 are prerequisites. Other classes to complete major/minors or basic requirements may be taken along with this student teaching.
 - d. Special Education majors may complete the pre-kindergarten placement either before or after the special education placement.
