NO COST ALTERNATIVE TEACHING CERTIFICATION FOR SCIENCE AND MATH MAJORS

Date: Thursday, February 12, 2009

Time: 1:00 PM – 3:00 PM

Location: 200 McKenny Hall

University of Toledo has two programs designed to help math and science majors gain alternative teacher certification at no cost. Come hear the recruiter discuss these programs!

Program #1:

UT3:

Recruits, prepares and supports science and math teachers to teach specifically in urban schools, where there is a nationwide shortage. Both undergrads and professionals with a bachelor degree may apply. The candidate receives a two-year provisional license, which can be advanced to a five-year professional upon completion of the program.

Program #2:

Noyce Scholarship:

Prepares professionals with bachelor degrees in science, technology, engineering, or math to teach science or math in grades 7–12. This five month, fast track program gives you an Ohio Alternative Educator License. Bring questions and get answers!
