

AWARDS

Hanna Award

An award to acknowledge an economics major who submitted a paper demonstrating the effective use of quantitative methods in economic analysis. Established by Dr. Raouf Hanna in memory of his father.

Gockerman Award

An award to recognize an economics major who submitted a superior paper on a subject closely related to the discipline of economics, set up by Alumnus Bruce Gockerman.

Murg Award

An award to recognize an economics major who has an outstanding record of service to the Economics Department, established by Alumnus Gary Murg.
