About Daniel Anderson:

Our keynote speaker, Daniel Anderson, is an Associate Professor of English at the University of North Carolina at Chapel Hill. He is the author of the textbook *Writing About Literature in the Media Age* and co-author of the textbook *Beyond Words: Reading and Writing in a Visual Age*. Anderson also directs UNC's Studio for Instructional Technology and English Studies, and he's written articles and given numerous presentations that explore the connections between pedagogy, writing, literature, and multimedia.
