

Lyceum Manifesto

Lyceum

We are **The Literate**

We loathe reality TV but live in a **television**

We are **caffeine**. Lyceum does not encourage the **consumption** of caffeine.

**Oxford English Dictionary** is the **ULTIMATE** source of truth

Lyceum knows your **past**

**there are no origins**. We believe in etymology  
we are go-rilla grammarians.

We ascribe to a weekly journal entitled:

**“SOCIALIZATION BEFORE SOCIALISM”**

Nice people do laundry period

We believe in censoring the lyceum. We are your thoughts.

Lyceum **promotes** the **reading** of potentially *seditionous* literature.

**You shouldn't join the Lyceum.**

Lyceum is against the leashing of **obese children**.

We kind of hate wishy **washy** (See Laundry) people.

We'd like you to be **pacific** about the **specific** ocean.

We believe in Blue Tooth for masking self talk only.

We endorse the flesh of the **black aquatic centipede**.

We enjoy the feel of **paper**.

We collect books.

We endorse thinking about **characters** years after finishing their narratives.

We endorse nice looking fonts.

We enjoy the word manifesto.

We do not endorse Dada. We love Dada.

We ran out of jokes.
