

McNair Scholars Program

Do You Intend to Pursue a PhD After Graduation?

Named after Ronald McNair, astronaut on the Challenger space shuttle, the Program provides advising, faculty mentoring, research training and experience through a Summer Research Institute. Included is information about all aspects of applying for, and coping with, graduate education leading to a PhD degree. Activities are designed to inform and support undergraduates who intend to pursue a PhD degree in any discipline.

**Winter 2010 deadline is
February 1st, 2010**

An application is available online and at 373 Marshall. You need not be an Honors College member to participate in the Program. You must supply information about financial aid status, GPA, and courses taken. Your application must include a personal statement that describes your academic and personal accomplishments. Be sure to explain how participating in the Program will advance your goals. Two let-

*Whether or not you reach your goals in life depends entirely on how well you prepare for them and how badly you want them. **You're eagles!** Stretch your wings and fly to the sky.*
