* If ninety-four credits are not transferred from the community college, additional electives must be completed at EMU to reach the minimum of 124 credit hours required to graduate.

¹ Meets EMU's Learning beyond the Classroom General Education requirement.

**EASTERN MICHIGAN UNIVERSITY
ARTICULATION GUIDE**

September 2007

**Schoolcraft College –Approved Health Programs
Eastern Michigan University – Bachelor of Science in Health Administration**

Additional Information:

1. In completing the coordinated program of study for this articulation agreement, course substitutions should be made with the guidance of the advisers (indicated below) at both institutions to assure that all requirements are satisfied. Courses indicated with an * are required for EMU's Health Administration Program.
2. Students whose transcripts are endorsed as "MACRAO Satisfied" will only be required to meet EMU's three general education requirements, noted on the articulation guide and listed below. These may be completed at the most convenient time for the student, whether before or after admission to EMU.
 - a) an approved course in Quantitative Reasoning: [MATH 122 at Schoolcraft]
 - b) an approved course in Global Awareness or US Diversity: [ENG 170, 275; ANTH 112, 201, 211, 214; GEOG 133; POLS 207; or SOC 210 at Schoolcraft]
 - c) an approved Learning Beyond the Classroom course or experience offered by EMU.

To use MACRAO, students should request a MACRAO evaluation of their transcript from the Schoolcraft Registration and Records Office. Students who do not satisfy MACRAO will have to satisfy EMU's general education requirements as listed in the Undergraduate Catalog.

3. Only courses with a grade of "C" or better (2.0 on a 4.0 scale) will be accepted for transfer to EMU.
4. Under this agreement, EMU will waive the 60-hour rule and require that a minimum of 30 credit hours must be completed at EMU, 15 hours of which must be in program requirements at the 300-level or above. Of the last 30 hours completed before graduating, a minimum of 10 credit hours must be in courses offered by EMU. A minimum of 124 credit hours, completed in-residence or accepted in transfer, is required for graduation.
5. A minimum cumulative GPA of 2.0 is required for admission to EMU. Students must meet all admission requirements at the time of application for admission to EMU, including submitting transcripts from all previously attended colleges. Schoolcraft students will receive equal consideration with other students for course registration and financial aid.
6. Students are encouraged to make an appointment with the EMU Health Administration Program Coordinator before applying to EMU. To facilitate the evaluation of transcripts, students should enclose a copy of this articulation guide with their EMU admission application and bring a copy to all advising sessions. Copies of the articulation guide are available on EMU's webpage at www.emich.edu/ccr/artguide.htm.

Effective Dates: September 1, 2007 until September 1, 2010. Students who began this articulated program prior to fall 2007 may continue to follow the requirements that were in place at the time they started. Students who begin at Schoolcraft during or after the fall semester of 2007 must use this updated guide. If this agreement is not renewed at the end of the effective period, students who already started this program will be given three additional years to be admitted to EMU under the terms of this agreement.
