September 2007

**Washtenaw Community College – Approved Health Programs (see list at bottom of page)
Eastern Michigan University – Bachelor of Science in Health Administration**

Completion of the Health Administration Program at EMU

Major Requirements (30 credits)

Health Administration (27 credits)

HLAD 305 The U.S. Health Care System.....	3
HLAD 307W Comm Effectiveness in Health Admin	3
HLAD 310 Admin of Health Care organizations	3
HLAD 311 Management of Health Services.....	3
HLAD 312 Health Personnel Mgmt & Development.....	3
HLAD 420 Health Insurance & Reimbursement.....	3
HLAD 425 Decision making for Health Administrators	3

See the program director to select courses below and receive waivers:

Complete one course from the following:.....3

- HLAD 416 Health Planning (3)
- HLAD 417 Health Regulation (3)

Complete one course from the following:.....3

- HLAD 315 Data Analysis for the Health Sciences (3)
- HLAD 418 Principles of Healthcare Finance (3)

Additional Requirement (3 credits)

ECON 436 Health Economics.....	3
--------------------------------	---

¹General Education Requirement (0-3 credits)

Students must complete one Learning Beyond the Classroom experience or course offered by EMU. HLAD 287 or 387 satisfies the LBC requirement. Consult Program Coordinator for other options.

Minimum Credits at EMU: 30-33

Credits to Graduate: 124

Suggested Sequence for completing the program:

Fall Semester (6-15 Credits)

ACC 240 (if not taken at WCC)	0-3
ECON 202 (if not taken at WCC)	0-3
HLAD 305 The U.S. Health Care System.....	3
HLAD 307W Comm Effectiveness in Health Admin.....	3
Approved computer literacy course (if not taken at WCC) .	0-3

Winter Semester (6-9 Credits)

HLAD 315 (if HLAD 418 is not chosen)	0-3
HLAD 310 Admin of Health Care organizations	3
HLAD 312 Health Personnel Mgmt & Development.....	3

Spring Semester (3 Credits)

HLAD 311 Management of Health Services.....	3
---	---

Fall Semester (6-9 Credits)

ECON 436 Health Economics.....	3
HLAD 416 (If HLAD 417 is not chosen)	0-3
HLAD 420 Health Insurance & Reimbursement	3

Winter Semester (3-9 Credits)

HLAD 425 Decision making for Health Administrators	3
HLAD 417 (if HLAD 416 was not chosen)	0-3
HLAD 418 (if HLAD 315 is not chosen)	0-3

¹Satisfies EMU's Learning beyond the Classroom General Education requirement.

Approved WCC Health Programs:

- Radiography
- Physical Therapist Assistant
- Pharmacy Technology
- Dental Assisting
- other programs by permission of Health Administration Adviser

EASTERN MICHIGAN UNIVERSITY

ARTICULATION GUIDE

September 2007

Washtenaw Community College – Approved Health Programs (see list at bottom of page)
Eastern Michigan University – Bachelor of Science in Health Administration

Additional Information:

1. In completing the coordinated program of study for this articulation agreement, course substitutions should be made with the guidance of the advisors (indicated below) at both institutions to assure that all requirements are satisfied. Courses indicated with an * are required for EMU's Health Administration Program.
2. Students whose transcripts are endorsed as "MACRAO Satisfied" will only be required to meet EMU's three general education requirements, noted with a "1" on the articulation guide and listed below. These may be completed at the most convenient time for the student, whether before or after admission to EMU.
 - a) an approved course in Quantitative Reasoning: [MTH 160 at WCC]
 - b) an approved course in Global Awareness or US Diversity: [ART 143, 150; COM 225; DAN 180; ENG 181, 213, 214, 224, 242; HUM 150, 170, or 175 at WCC]
 - c) an approved Learning Beyond the Classroom course or experience offered by EMU. [HLAD 287 or 387 or consult Program Coordinator for other options]

To use MACRAO, students should request a MACRAO evaluation of their transcript from the WCC Student Connection. Students who do not satisfy MACRAO will have to satisfy all of EMU's general education requirements as listed in the undergraduate catalog.

3. Only courses with a grade of "C" or better (2.0 on a 4.0 scale) will be accepted for transfer to EMU. A course completed with a grade of less than 2.0, even though it is counted toward graduation at the community college and used to satisfy MACRAO, will not transfer and will have to be repeated if it is a requirement of the Health Administration program at EMU.
4. Under this agreement, EMU will waive the 60-hour rule and require that a minimum of 30 credit hours must be completed at EMU, 15 hours of which must be in program requirements at the 300-level or above. Of the last 30 hours completed before graduating, a minimum of 10 credit hours must be in courses offered by EMU. A minimum of 124 credit hours, completed in-residence or accepted in transfer, is required for graduation.
5. Students must meet all admission requirements at the time of application for admission to EMU, including submitting transcripts from all previously attended colleges. WCC students will receive equal consideration with other students for course registration and financial aid.
6. Students are encouraged to make an appointment with the EMU Health Administration Program Coordinator before applying to EMU. To facilitate the evaluation of transcripts, students should enclose a copy of this articulation guide with their EMU admission application and bring a copy to all advising sessions. Copies of the articulation guide are available on EMU's webpage at www.emich.edu/ccr/artguide.htm.

Effective Dates: September 1, 2007 until September 1, 2010. This agreement replaces an agreement made in June 2004 and all subsequent updates. Students who began this program prior to fall 2007 have the option of following the agreement in place when they started or using this agreement. If this agreement is not renewed at the end of the effective period, students who already started the program will be given three additional years to be admitted to EMU under the terms of this agreement.
