

MEDICAL INQUIRY FORM IN RESPONSE TO AN ACCOMMODATION REQUEST To be completed by a diagnosing Physician or Health/Mental Health Provider

Employee Name:							
Job Title/Position:					none		
Job Hue/Position.					ione		
The above is an employee of the Eastern Michigan University. The employee has requested a reasonable accommodation for a medical condition under the American's with Disabilities Act (ADA) and has identified you as the treating physician. The employee believes a reasonable accommodation relating to their condition is necessary to enable them to perform the essential functions of their job. To assist Eastern Michigan University in evaluating this request for accommodation, please answer the following questions. Please provide specific and detailed answers to these questions, using additional sheets where necessary. To assist you in completing this medical questionnaire enclosed is a copy of the employee's position description. Some questions contain narratives and definitions, kindly review the narrative and/or definitions before answering the question. Eastern Michigan University will use the information to evaluate the employee's request for accommodation in accordance with the ADA. The information you provide will be confidential.							
A. Questions to help of	letermine whether an employe	ee has a disabili	ty.				
Have you examined the employee for impairment relating to their request for a reasonable accommodation					No 🗖		
If Yes, please provide date(s) of examination:							
Does the employee have a physical or mental impairment?					No 🗖		
If yes, what is the impairment or the nature of the impairment?							
Answer the following question based on what limitations the employee has when his or her condition is in an active state and what limitations the employee would have if no mitigating measures were used. Mitigating measures include things such as medication, medical supplies, equipment, hearing aids, mobility devices, the use of assistive technology, reasonable accommodations or auxiliary aids or services, prosthetics, learned behavioral or adaptive neurological modifications, psychotherapy, behavioral therapy, and physical therapy. Mitigating measures do not include ordinary eyeglasses or contact lenses.							
Does the impairment substantially limit a major life activity as compared to most people in the general population?					No 🗖

B. Questions to help determine whether an accommodation is needed.							
An employee with a disability is entitled to an accommodation only when the accommodation is needed because of the disability. The following questions may help determine whether the requested accommodation is needed because of the disability:							
What limitation(s) is interfering with job performance or accessing a benefit of employment?							
What job function(s) or benefits of employment is the employee having trouble performing or accessing because of the limitation(s)?							
How does the employee's limitation(s) interfere with his/her ability to perform the job function(s) or access a benefit of employment?							
C. Questions to help determine effective accommodation options.							
If an employee has a disability and needs an accommodation because of the disability, the employer must provide a reasonable accommodation, unless the accommodation poses an undue hardship. The following questions may help determine effective accommodations:							
Do you have any sugge	estions	regarding pos	ssib	le accommodations?			
					□Yes	□ No	
If Yes, what are they?							
How would your suggestions improve the employee's job performance?							
D. Other comments.							

Medical Provider Signature	Date:
Medical Provider Name (please print)	Office Telephone Number
License #	State
Address	Zip

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we are asking that you not provide any genetic information when responding to this request for medical information. "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.
