September 26, 2008

Dear Ms. Nickell:

Eastern Michigan University (EMU) is applying for a renewal of our CAE designation, and we are looking forward to the opportunity to join the other universities and colleges in this most prestigious endeavor. Eastern Michigan University completed its first year with the undergraduate degree in IA and have doubled its enrollment from 22 students to 50 students. Our graduate programs have grown to 25 graduate students and 9 PHD Candidates in Information Assurance. As we approach 2009, it is the intent of EMU, to seek re-accreditation as a CAE.

To date, EMU has received confirmation of CNSS review and have mapped at the 4011 and 4012 standards.

Our IA Website is http://www.emich.edu/cot/undergrad_ia.htm, and this letter will be posted to the IA Home Page at <http://www.emich.edu/cot/progsites/ia/>.

Should you require further information please contact me.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Morell Boone".

Morell Boone
Dean
College of Technology
