### EDUCATION

- 9/84-5/91**                    **Ph.D. in Business Administration,**  
**Georgia State University, Atlanta, Georgia 30303**  
**Major: Operations Management**  
**(Coursework in Computer Information Systems: 15 quarter hours)**
- 1/01-8/03                    Master of Science in **Management Information Systems**  
University of Houston, Clear Lake, Texas (GPA: 3.94)  
Graduate MIS courses (30 semester hours) in the College of Business
- 6/04-8/04                    Graduate Certificate in **Information Assurance,**  
Purdue University, West Lafayette, Indiana  
Graduate Computer Science/Technology Courses in the School of Technology:  
*Network Security, Information Security, and Digital Forensics.*
- 10/74-6/78                    BA in Law  
Fu-Jen Catholic University, Taipei, Taiwan ROC

### SHORT TERM TRAINING CERTIFICATES

1. SAP Educational Services America's Certificate: SAP101 Overview Workshop, Boston, August 5-8, 2002.
2. SAP Educational Services America's Certificate: SAP Business Process Workshop, Ypsilanti, August 10-16, 2003.
3. Cisco Security Certificate, University of Maryland University College, 2005

### TEACHING EXPERIENCE

- 8/04-Now                    Associate Professor of Computer Information Systems (Tenure); also a  
faculty member in Supply Chain Management
- 8/01-7/04                    Assistant Professor of Computer Information Systems  
Department of Computer Information Systems  
Eastern Michigan University, Ypsilanti, MI 48197  
Taught **1. Undergraduate:** IT infrastructure & Security, Data  
Communications, Information Resource Management, End-User

Computing, Business Statistics

**2. Graduate:** Data Communications and Networking, IT for Supply Chain Management, Business Information Systems

9/91-6/01 Associate/Assistant Professor of Management (Tenure)  
Department of Management and Marketing  
Lamar University, Beaumont, Texas 77710  
Taught **1. Undergraduate:** Production Management, Quality and Productivity Management, and Systems Analysis and Design  
**2. Graduate:** Business Research and Operations Management and Information Systems

9/90-6/91 Assistant Professor of BIS,  
Business Information Systems  
Macon State College, Macon, Georgia 31297  
Taught Business Information Systems and Microcomputer Applications

### **WORKING EXPERIENCE**

1988-1989 Research Assistant and Mainframe Programmer,  
Economic Forecasting Center,  
Georgia State University, Atlanta, GA 30303  
(used FORTRAN to write a forecasting program on the MVS system)

2/86-11/87 Advanced Computer Programmer,  
National Financial Computer Systems, Inc.  
Lawrenceville, GA 30245  
(used C and SQL to develop a database system)

10/80-1/82 Staff  
Hu-Nan Commercial Bank, Taipei, Taiwan ROC

### **COMPETITIVE AWARD AND HONOR**

**"Customer Order Acceptance Decision Models for a Process-Focused Production System,"** received the **Distinguished Paper Award**, the 1999 National Conference of Academy of Information and Management Sciences, Myrtle Beach, South Carolina, April 1999.

"A Test-Based Distributed Multimedia Tutoring System for the Production and Operations Management Course in the College of Business," **Honorable Mention (Also received \$250), the Instructional Innovation Award** competition for the 1996 Decision Sciences Institute annual meeting, Orlando, Florida.

Received the **Regents' Merit Award**, Lamar University - Beaumont, 1995.

Huei Lee and Donald L. Jordan, "An Investigation of the Impact of Using Multimedia in a Production/Operations Management Course in the College of Business," won the **Research Award** of the Southern Business Administration Association, 1993. (Also received \$3,000)

Passed the Public Officers' Exam (as Known as "High Exam") in Financial Law area, Taiwan, ROC (1980).

## **TEACHING**

**"An Enterprise Resource Planning Software for Productivity Management Course,"** received the Teaching Enhancement Grant (\$1,000), Lamar University, 1999.

Received the Teaching Bonus Awards (Total: \$6,000), Lamar University - Beaumont, 1995, 1996, and 1998.

The innovative teaching approach was awarded Honorable Mention in the 1993 Southern Business Administration Association Innovative Award Program.

Received the best teaching evaluation in CIS department (4.26), Eastern Michigan University, Fall 2002.

Maintained an excellent record in teaching evaluations in the College of Business, Lamar University (Fall, 1991: 4.38; Spring, 1992: 4.51; Fall 1992: 4.32; Spring 1993: 4.51, Fall 1993:4.46, Spring 1994:4.25, Fall 1994: 4.38, Spring 1995: 4.50, Fall 1999: 4.31, Spring 2000: 4.56, Fall 2000: 4.17, Spring 2001: 4.48).

## **SERVICE**

Serve as the secretary of the American Chinese Management Educator (ACME), 2004-2007.

Serve as a member of Editorial Review Board of Journal of Computer Information Systems, 2003-Now.

Served as a member of Editorial Board (2004-2005) of International Journal of Electronic Government (IJEG).

Served as reviewers for Journal of International Technology and Information Management, Journal of Computer Information Systems, and Communications of ICISA, 2003

Served as a member of the Supply Chain Management Task Force and E-Business Task Force, College of Business, 2001-2003. Eastern Michigan University.

Served as a reviewer for the annual meeting of Western Decision Sciences Institute, 2002.

Served as the session chair of ERP, the annual meeting of Production and Operations Management Society, 2001

Reviewers for the annual meeting of Southwest Decision Science Institutes and Western Decision Science Institutes, 2001

Served as a member of the Instructional Resource Committee, College of Business, 1998-2001, Lamar University.

Served as the chair of the Mission/Strategic Planning Study Team, College of Business, Lamar University (for AACSB accreditation), 1997-1998.

Serving as the chair of the Teaching Bonus Award Committee, College of Business, 1997.

Served as a member of the Tenured Committee, College of Business.

Served as a committee member of the Academic Computing Committee at Lamar University. Successfully wrote a proposal to upgrade the computer equipment for \$69,000 in College of Business.

Served as a reviewer for Southwest Decision Sciences Institute Annual Meeting, Houston, Texas, March 1995.

Serving as the alternate faculty advisor of the American Society for Quality Control (ASQC) Student Branch at Lamar University, 1992-1993.

Served as the thesis committee chairmen for two MBA students.

Served as a reviewer for Industrial Management & Data Systems, 1993.

Served as the committee chairman of Publicity of the American Society for Quality Control (ASQC) Southeast Texas Section, 1992.

Served as the committee chairman of Ad Hoc Task Force on TQM Initiative, College of Business, Lamar University, 1992.

Served as the section chairman for Intelligent Systems at the TIMS/ORSA Joint National Meeting, Orlando, Florida, April 27, 1992.
