

# **EASTERN MICHIGAN UNIVERSITY**

## **School of Nursing**

### **Post Baccalaureate Certificate in Teaching in Health Care Systems**

This 12 credit hour (4 course) certificate is designed specifically for nurse educators or those seeking positions in nursing education or staff development. The certificate provides both theoretical and practical knowledge focused on teaching and learning of adult learners. Course work consists of evidence-based teaching methods and prepares the learner for designing teaching materials, assessing learning outcomes and applying learning during when paired with a master teacher during the teaching practicum.

Admission requirements include:

1. Admission to Eastern Michigan University Graduate School indicating Teaching Certificate Program and Program Code HCS/CTHC-HH (Applications are on line at [www.gradschool.emich.edu](http://www.gradschool.emich.edu))
2. Send official transcripts from all colleges and universities attended.
3. Minimum GPA of 2.5 cumulative undergraduate
4. Bachelors Degree in any field (nursing is needed if intent is to teach in nursing)
5. TOEFL score of 550/79 or MELAB score of 550/80 if English is a second language.

Course Work:

- NURS 605 (3 Credits) Health Status and Trends
- NURS 620 (3 Credits) Instructional Strategies
- NURS 622 (3 Credits) Curriculum Development
- NURS 624 (3 Credits) Teaching Practicum

If student begins in Spring (May-June), takes the Summer course (July-August) and the last two courses in Fall (September-December) the certificate can be completed in 8 months.

The next cohort begins at the EMU Livonia campus on 6 mile and I-275 in the SpringTerm. For additional information contact the Livonia site at 877-818-4368 or Roberta Towne at 734-487-2340.
