RESULTS	Depts.	CILs
(1) Continuation	23	1
(2) Continuation with specific changes	30	0
(3) Probation	2	0
(4) Phase Out	0	2
TOTAL	55	3

**Provost Decisions and Follow-up Required
 Institute for Geospatial Research and Education (IGRE formerly CEITA)**

<i>Decision Code</i>	<i>Decision Translation</i>	<i>Follow-up</i>	<i>Key Issues to Address in Follow-up</i>	<i>Due Date</i>
1	Continuation	none		

**Provost Decisions and Follow-up Required
Institute for Diversity and Business Services (IDBS)**

<i>Decision Code</i>	<i>Decision Translation</i>	<i>Follow-up</i>	<i>Key Issues to Address in Follow-up</i>	<i>Due Date</i>
4	Phase Out	Development of a Phase Out plan	Investigation of the movement of functions to the Regional Michigan Small Business Development Center. Include the following in the phase out plan: Relocation of staff; funding strategies; an outline and timeline for all outstanding commitments and projects.	30-Sep-02

**Provost Decisions and Follow-up Required
National Institute for Consumer Education (NICE)**

<i>Decision Code</i>	<i>Decision Translation</i>	<i>Follow-up</i>	<i>Key Issues to Address in Follow-up</i>	<i>Due Date</i>
4	Phase Out	Development of a Phase Out plan	Activities and staff should be moved to Continuing Education. The Phase Out plan should include the following: Relocation of staff; a funding strategy; address any endowment funds; a strategy for teaching/reference materials; outline and timeline for outstanding projects/commitments.	30-Sep-02

**Provost Decisions and Follow-up Required
Art**

<i>Program Code</i>	<i>Program Title</i>	<i>Decision Code</i>	<i>Decision Translation</i>	<i>Follow-up</i>	<i>Key Issues to Address / n Follow-up</i>	<i>Due Date</i>
AR01	BFA in Art	1	Continuation	none		
AR02	BS in Art	2	Continuation with specific changes	Post-Review Program Improvement Plan	Development of goals that are specific to the program should be a priority, as well as a plan for reaching them.	30-Aug-02
AR03	Art History	1	Continuation	none		
AR31	Art - Teaching	2	Continuation with specific changes	Post-Review Program Improvement Plan	Development of goals that are specific to the program should be a priority, as well as a plan for reaching them.	30-Aug-02
AR32	Art Education	1	Continuation	none		
AR97	MA in Art	1	Continuation	none		
AR98	MFA in Art	1	Continuation	none		
AR99	MA in Art Education	1	Continuation	none		

Provost Decisions and Follow-up Required Chemistry						
<i>Program Code</i>	<i>Program Title</i>	<i>Decision Code</i>	<i>Decision Translation</i>	<i>Follow-up</i>	<i>Key Issues to Address in Follow-up</i>	<i>Due Date</i>
CH01	Chemistry	1	Continuation	none		
CH02	Professional Chemistry	1	Continuation	none		
CH03	Professional Biochemistry	1	Continuation	none		
CH04	General Biochemistry	1	Continuation	none		
CH05	Biochemistry/Toxicology	2	Continuation with specific changes	Post-Review Program Improvement Plan	Convene an advisory board.	30-Aug-02
CH07	Pre-Dentistry	2	Continuation with specific changes	Post-Review Program Improvement Plan	Review the current location of advising for the pre-professional programs.	30-Aug-02
CH08	Pre-Mortuary Science	2	Continuation with specific changes	Post-Review Program Improvement Plan	Review the current location of advising for the pre-professional programs.	30-Aug-02
CH09	Pre-Pharmacy	2	Continuation with specific changes	Post-Review Program Improvement Plan	Review the current location of advising for the pre-professional programs.	30-Aug-02
CH31	Chemistry - Teaching	2	Continuation with specific changes	Post-Review Program Improvement Plan	Meet with COE to cultivate goals that are unique to the program. Develop a plan that expands on the teaching aspect of the program.	30-Aug-02
CH99	MS - Chemistry	1	Continuation	none		

Provost Decisions and Follow-up Required						
Computer Information Systems						
Program Code	Program Title	Decision Code	Decision Translation	Follow-up	Key Issues to Address in Follow-up	Due Date
OR06	Computer Information Systems	2	Continuation with specific changes	Post-Review Program Improvement Plan	Specific plans, including timelines, must be developed and implemented to achieve and maintain the status as a "Center of Excellence".	15-Jan-03
OR99	MS - Computer Information Systems	2	Continuation with specific changes	Post-Review Program Improvement Plan	Specific plans, including timelines, must be developed and implemented to achieve and maintain the status as a "Center of Excellence". The curriculum must be modified to include a more substantial emphasis on technology management.	15-Jan-03

Provost Decisions and Follow-up Required Geography/Geology						
Program Code	Program Title	Decision Code	Decision Translation	Follow-up	Key Issues to Address in Follow-up	Due Date
GE01	Earth Science	2	Continuation with specific changes	Post-Review Program Improvement Plan	Implement a more comprehensive assessment system.	30-Aug-02
GE31	Earth Science - Teaching	2	Continuation with specific changes	Post-Review Program Improvement Plan	Implement a more comprehensive assessment system. Meet with the COE to cultivate goals that are unique to the program. Develop a plan that expands on the teaching aspect of the program.	30-Aug-02
GE02	Geography	1	Continuation	none		
GE32	Geography - Teaching	2	Continuation with specific changes	Post-Review Program Improvement Plan	Carefully explore the need for geography teachers. Create a plan, in collaboration with TE, to recruit an appropriate number of students.	30-Aug-02
GE03	Geology	1	Continuation	none		
GE04	Urban and Regional Planning	1	Continuation	none		
GE96	MS - Geographic Information Systems and Planning	1	Continuation	none		
GE97	Graduate Certificate in Historic Preservation	1	Continuation	none		
GE98	MS - Historic Preservation	1	Continuation	none		

Provost Decisions and Follow-up Required Health, Physical Education, Recreation and Dance						
Program Code	Program Title	Decision Code	Decision Translation	Follow-up	Key Issues to Address in Follow-up	Due Date
PE01	Physical Education	1	Continuation	none		
PE02	Dance	2	Continuation with specific changes	Post-Review Program Improvement Plan	Exploration of the administrative reassignment of the program should be undertaken. Inclusion of a feasibility study, benchmarking, a needs assessment, and a formal proposal are required.	15-Sep-02
PE04	Recreation and Park Management	3	Probation	Post-Review Program Improvement Plan	Convene an advisory board; conduct feasibility studies; extensive development of curriculum; the exploration of a possible interdisciplinary major with BIO and G/G. Timeline not to exceed 3 years.	15-Sep-02
PE06	Therapeutic Recreation	2	Continuation with specific changes	Post-Review Program Improvement Plan	Convene an advisory board; research into specific areas such as enrollment trends, administrative locations of similar programs, accreditation information, etc.	15-Sep-02
PE08	Sports Medicine	1	Continuation	none		
PE31	Physical Education - Teaching	1	Continuation	none		
PE98	MS in Physical Education	2	Continuation with specific changes	Post-Review Program Improvement Plan	Convene an advisory board; develop a recruitment plan; develop a scheduling plan that integrates CE delivery modes; develop outside funding strategy; update/revise curriculum.	15-Sep-02

Provost Decisions and Follow-up Required Interdisciplinary Technology						
Program Code	Program Title	Decision Code	Decision Translation	Follow-up	Key Issues to Address in Follow-up	Due Date
ID01	Aviation Management	2	Continuation with specific changes	Post-Review Program Improvement Plan	~ Assessment ~ Data tracking ~ Research ~ Benchmarking	15-Sep-02
ID05	Polymers and Coatings	2	Continuation with specific changes	Post-Review Program Improvement Plan	~ Assessment ~ Data tracking ~ Research ~ Benchmarking	15-Sep-02
ID06	Industrial Distribution	2	Continuation with specific changes	Post-Review Program Improvement Plan	~ Strategies addressing equipment, software and lab access ~ Assessment ~ Data tracking ~ Research ~ Benchmarking	15-Sep-02
ID07	Communication Technology	2	Continuation with specific changes	Post-Review Program Improvement Plan	~ Prepare a facility and equipment replacement plan for labs ~ Assessment ~ Data tracking ~ Research ~ Benchmarking	15-Sep-02
ID08	ISP - Public Safety	3	Probation	Provide a Program Review Report OR Post-Review Program Improvement Plan as well as undergoing a modified version of Program Review annually, to ensure successful		15-Sep-02
ID09	Technology Management	2	Continuation with specific changes	Post-Review Program Improvement Plan	~ Establish a data tracking and analysis system ~ Refine goals	15-Sep-02
ID98	Polymer Technology	2	Continuation with specific changes	Post-Review Program Improvement Plan	~ Assessment ~ Data tracking ~ Research ~ Benchmarking	15-Sep-02

Provost Decisions and Follow-up Required Interdisciplinary Technology						
Program Code	Program Title	Decision Code	Decision Translation	Follow-up	Key Issues to Address in Follow-up	Due Date
ID99	MLS - Technology	2	Continuation with specific changes	Post-Review Program Improvement Plan	~ Exploration of the administrative reassignment of the Information Security concentration to include a feasibility study and needs assessment, as well as identification of and input from the new administrative location.	15-Sep-02
ID9999	MLS - Technology - Information Systems	4	Phase out	Provide a Program Review Report OR Develop a plan to efficiently phase out the program according to the AAUP contract requirements.	DISREGARD; ACADEMIC PROGRAMMING MISTAKE	01-Aug-02
S & C	Police/Fire Staff & Command	2	Continuation with specific changes	Post-Review Program Improvement Plan	~ Exploration of the administrative reassignment of the program should be undertaken. This should include a feasibility study and a needs assessment, as well as input from the new administrative location.	15-Sep-02

Provost Decisions and Follow-up Required Nursing						
Program Code	Program Title	Decision Code	Decision Translation	Follow-up	Key Issues to Address in Follow-up	Due Date
NU01	Nursing	2	Continuation with specific changes	Post-Review Program Improvement Plan	Develop goals, revise curriculum, integrate program assessment, and develop recruitment and retention plans.	15-Sep-02
NU03	Nursing - Completion	2	Continuation with specific changes	Post-Review Program Improvement Plan	Continue development and refining of curriculum. Continue work on establishment of articulation agreements. Determine off-site viability, as well as online possibilities. Develop a plan to begin tracking data.	15-Sep-02
NU97	Graduate Certificate in Adult Nurse Practitioner	2	Continuation with specific changes	Post-Review Program Improvement Plan	A needs assessment and feasibility study should be done. Develop a plan of action by the department, in response to the above investigations.	15-Sep-02
NU98	Graduate Certificate in Teaching in Healthcare Systems	2	Continuation with specific changes	Post-Review Program Improvement Plan	Continue to refine program assessment. Develop a marketing plan. Perform a needs assessment. Consider development of online course offerings.	15-Sep-02
NU99	MS - Nursing	2	Continuation with specific changes	Post-Review Program Improvement Plan	Continue to refine program assessment. Develop a marketing plan. Perform a needs assessment. Consider development of online course offerings.	15-Sep-02

Provost Decisions and Follow-up Required Psychology						
<i>Program Code</i>	<i>Program Title</i>	<i>Decision Code</i>	<i>Decision Translation</i>	<i>Follow-up</i>	<i>Key Issues to Address in Follow-up</i>	<i>Due Date</i>
PS01	Psychology	1	Continuation	none		
PS31	Psychology - Teaching	2	Continuation with specific changes	Post-Review Program Improvement Plan	COE concerns about the viability of the program should be addressed. Keep in mind that EMU is one of a small group of schools that offer this degree.	15-Sep-02
PS99	MS -Psychology - General Experimental	2	Continuation with specific changes	Post-Review Program Improvement Plan	Institute a plan to address supervision of theses/projects and faculty load credit. Develop a marketing plan. Develop a plan to update/enhance computer equipment for animal research.	15-Sep-02
PS9998	MS - Psychology - Clinical Psychology	1	Continuation	none		
PS9999	MS - Psychology - Clinical Behavioral	1	Continuation	none
