DIVISION OF ACADEMIC AFFAIRS
OFFICE OF THE ASSOCIATE PROVOST
INTER OFFICE MEMORANDUM

TO: Jerry Robbins, Dean
College of Education

FROM: Michael Harris, Associate Provost
Academic Affairs

SUBJECT: Academic Program Review

DATE: October 2, 2001

Per your Academic Program Review memo of September 11, 2001, Health, Physical Education, Recreation and Dance programs, including ISIS codes, to undergo Program Review are:

Undergraduate

- PE02 Dance concentrations in the following:
 - PE0202 Studio Management
 - PE0203 Performance
- PE04 Recreation and Park Management
- PE06 Therapeutic Recreation
- PE0801 Sports Medicine-Athletic Training
- PE0802 Sports Medicine-Exercise Science
- PE31 Physical Education-Teaching

Graduate

- PE98 Master of Science in Physical Education concentration in the following:
 - PE9894 Interdisciplinary Adapted Physical Education
 - PE9895 Sports Medicine-Corporate/Adult
 - PE9896 Sports Medicine-Exercise Physiology
 - PE9897 Sports Medicine-Biomechanics
 - PE9899 Pedagogy

You have identified two additional programs PE0201 Dance with a concentration in Pre-Dance Therapy and PE01 Physical Education, which by your account will not be reviewed. However, I do not accept the rationale provided. Based on the purpose and goals of Program Review, it is for those very reasons stated in the rationale that these two programs must undergo review. The benefits of a systematic review may produce justification for future actions such as the possible elimination of PE0201 Dance with a concentration in Pre-Dance Therapy. Although PE01 Physical Education is new major effective January 2002, reviewing this program, to the extent data is available, would

provide a rationale for future actions such as budgetary considerations. Therefore, include PE0201 Dance with a concentration in Pre-Dance Therapy and PE01 Physical Education on your list of programs to review.

Although the activity/service courses are not a program and limited data is available, I support your decision to review this area.
