

EASTERN MICHIGAN UNIVERSITY

DIVISION OF ACADEMIC AFFAIRS
OFFICE OF THE ASSOCIATE PROVOST
INTER OFFICE MEMORANDUM

TO: John Dugger, Dean
College of Technology

FROM: Michael Harris, Associate Provost
Academic Affairs

SUBJECT: Academic Program Review

DATE: October 2, 2001

Per your Academic Program Review memo of September 20, 2001, the Interdisciplinary Technology programs to undergo Program Review are:

Undergraduate

Aviation Management Technology
Communication Technology
Industrial Distribution
Polymers and Coatings
Concentration in Staff and Command

Graduate

Master of Liberal Studies in Technology
Master of Science in Polymer Technology

We interpret this as the following ISIS major/submajor codes associated with each program:

ID01 Aviation Management Technology
ID07 Communication Technology
ID06 Industrial Distribution
ID05 Polymers and Coatings
ID99 Master of Liberal Studies In Technology
ID98 Master of Science in Polymer Technology

Based on a review of ISIS major/submajor codes, the following Interdisciplinary Technology program codes were not addressed in your memo:

ID09 Technology Management
ID08 Individualized Studies Program-Public Safety
ID9999 Master of Liberal Studies in Technology concentration in Information System

Based on the purpose and goals of Program Review, it is important that ID09, ID08 and ID9999 undergo a systematic review process that may provide justification for future actions. I note your intent to review the concentration in Staff and Command. This could be handled with the program review of ID08. Although ID09 Technology Management is new major, reviewing this program, to the extent data is available, would provide a rationale for future actions such as budgetary considerations. ID9999 Master of Liberal Studies in Technology concentrating in Information Systems may be reviewed as a separate program or a component of ID99 Master of Liberal Studies in Technology. Therefore include ID09 Technology Management and ID08 Individualized Studies Program-Public Safety on your list of programs to review. Inform me by October 9 as to the Program Review action of ID9999 Master of Liberal Studies in Technology with a concentration in Information Systems.
