AC02	Bachelor of Accounting	1	Continuation	None		
AC04	Bachelor of Accounting Information Systems	1	Continuation	None		
FN02	Bachelor of Finance	2	Continuation with specific changes	Post-Review Program Improvement Plan	A more thorough department reintegration strategy should be developed.	30-Nov-03
AC99	Master of Accounting	1	Continuation	None		

**Provost Decisions and Follow-up Required  
College of Business Administrative Programs**

<i>Program Code</i>	<i>Program Title</i>	<i>Decision Code</i>	<i>Decision Translation</i>	<i>Follow-up</i>	<i>Key Issues to Address in Follow-up</i>	<i>Due Date</i>
<b>BU02</b>	<b>Bachelor of Language and World Business</b>	<b>3</b>	<b>Probation</b>	A joint assessment report must be completed, in collaboration with the Foreign Languages and Bilingual Studies department.	A broad programming assessment must be completed, covering the international business curriculum interface between the College of Business and the Foreign Languages and Bilingual Studies department. The two groups must work together to determine a better way of serving student's needs.	30-Apr-04
<b>BU18</b>	<b>Bachelor of International Business</b>	<b>3</b>	<b>Probation</b>	A joint assessment report must be completed, in collaboration with the Foreign Languages and Bilingual Studies department.	A broad programming assessment must be completed, covering the international business curriculum interface between the College of Business and the Foreign Languages and Bilingual Studies department. The two groups must work together to determine a better way of serving student's needs.	30-Apr-04
<b>BU97 &amp; BU99</b>	<b>Master of Business Administration</b>	<b>2</b>	<b>Continuation with specific changes</b>	Post-Review Program Improvement Plan	The program should evaluate the outcomes of the MBA program changes in one year and include a status report with Management department's Program Review report, during the 2004-05 cycle of Program Review.	30-Nov-03
<b>None</b>	<b>Master of Business Administration - MASCO</b>	<b>N/A</b>		Program Review report	The Masco MBA program is a separate, stand alone version of the core MBA program, but was not reviewed. The College of Business must complete a Program Review report by 30 January 2004.	30-Jan-04

<b>Provost Decisions and Follow-up Required Computer Science</b>						
<i>Program Code</i>	<i>Program Title</i>	<i>Decision Code</i>	<i>Decision Translation</i>	<i>Follow-up</i>	<i>Key Issues to Address in Follow-up</i>	<i>Due Date</i>
CS01	Bachelor of Computer Science	1	Continuation	None		
CS31	Bachelor of Computer Science - Teaching	1	Continuation	None		
CS97	Master of Computer Science	2	Continuation with specific changes	Post-Review Program Improvement Plan	The program needs to explore creating a joint-program with MA9999 – Master of Mathematics with concentration in Computer Science. The two departments should work together to develop a joint-program model for near-term consideration.	30-Nov-03
CS99	Graduate Certificate in Artificial Intelligence	2	Continuation with specific changes	Post-Review Program Improvement Plan	A needs assessment should be done to help determine the burden of updating the curriculum and keeping it current.	30-Nov-03
None	Secondary Endorsement in Computer Science	2	Continuation with specific changes	Post-Review Program Improvement Plan	With a decision expected soon regarding the Undergraduate Certificate issue, the department should develop a plan for transitioning this program into an undergraduate certificate.	30-Nov-03

<b>Provost Decisions and Follow-up Required Foreign Languages and Bilingual Studies</b>						
<b>Program Code</b>	<b>Program Title</b>	<b>Decision Code</b>	<b>Decision Translation</b>	<b>Follow-up</b>	<b>Key Issues to Address in Follow-up</b>	<b>Due Date</b>
FL01	Bachelor of French Language	2	Continuation with specific changes	Post-Review Program Improvement Plan	Develop a plan and timeline to address areas that need improvement, in particular: enrollment, alumni, and outcomes assessment.	30-Nov-03
FL02	Bachelor of French for Business	3	Probation	A joint assessment report must be completed, in collaboration with the College of Business.	A broad programming assessment must be completed, covering the international business curriculum interface between the College of Business and the Foreign Languages and Bilingual Studies department. The two groups must work together to determine a better way of serving student's needs.	30-Apr-04
FL03	Bachelor of German Language	2	Continuation with specific changes	Post-Review Program Improvement Plan	Develop a plan and timeline to address areas that need improvement, in particular: enrollment, alumni, and outcomes assessment.	30-Nov-03
FL04	Bachelor of German for Business	3	Probation	A joint assessment report must be completed, in collaboration with the College of Business.	A broad programming assessment must be completed, covering the international business curriculum interface between the College of Business and the Foreign Languages and Bilingual Studies department. The two groups must work together to determine a better way of serving student's needs.	30-Apr-04
FL05	Bachelor of Spanish for Language	2	Continuation with specific changes	Post-Review Program Improvement Plan	Develop a plan and timeline to address areas that need improvement, in particular: enrollment, alumni, and outcomes assessment.	30-Nov-03
FL06	Bachelor of Spanish for Business	3	Probation	A joint assessment report must be completed, in collaboration with the College of Business.	A broad programming assessment must be completed, covering the international business curriculum interface between the College of Business and the Foreign Languages and Bilingual Studies department. The two groups must work together to determine a better way of serving student's needs.	30-Apr-04
FL07	Bachelor of Japanese for Language	1	Continuation	None.		

Provost Decisions and Follow-up Required Foreign Languages and Bilingual Studies						
Program Code	Program Title	Decision Code	Decision Translation	Follow-up	Key Issues to Address in Follow-up	Due Date
FL08	Bachelor of Language and International Trade	3	Probation	A joint assessment report must be completed, in collaboration with the College of Business.	A broad programming assessment must be completed, covering the international business curriculum interface between the College of Business and the Foreign Languages and Bilingual Studies department. The two groups must work together to determine a better way of serving student's needs.	30-Apr-04
FL09	Bachelor of Group Major in Language, Journalism, Telecommunications and Film	4	Phase Out	Development of a Phase Out plan (See the Department Manual for specific requirements).	The department has 30 days to initially respond to the recommendation. This program was shelved in winter 2002, is scheduled for phase out in winter 2007, and should move forward with those plans.	30-Sep-03
FL31	Bachelor of French - Teaching	1	Continuation	None.		
FL33	Bachelor of German - Teaching	1	Continuation	None.		
FL35	Bachelor of Spanish - Teaching	1	Continuation	None.		
FL37	Bachelor of Japanese - Teaching	1	Continuation	None.		
FL93	Graduate Certificate in Hispanic Language and Culture	2	Continuation with specific changes	Post-Review Program Improvement Plan	Development of a strong marketing and recruiting plan will be critical to the success of this relatively new program. The program should also begin to collect and monitor data, including enrollments and student feedback, to make improvements as it develops.	30-Nov-03
FL94	Graduate Certificate in German for Business	3	Probation	A joint assessment report must be completed, in collaboration with the College of Business.	A broad programming assessment must be completed, covering the international business curriculum interface between the College of Business and the Foreign Languages and Bilingual Studies department. The two groups must work together to determine a better way of serving student's needs.	30-Apr-04
FL95	Graduate Certificate in Teaching English as a Second Language	1	Continuation.	None.		

<b>Provost Decisions and Follow-up Required Foreign Languages and Bilingual Studies</b>						
<b>Program Code</b>	<b>Program Title</b>	<b>Decision Code</b>	<b>Decision Translation</b>	<b>Follow-up</b>	<b>Key Issues to Address in Follow-up</b>	<b>Due Date</b>
FL96	Master of Teaching English to Speakers of Other Languages	1	Continuation.	None.		
FL97	Master of Language and International Trade	3	Probation	A joint assessment report must be completed, in collaboration with the College of Business.	A broad programming assessment must be completed, covering the international business curriculum interface between the College of Business and the Foreign Languages and Bilingual Studies department. The two groups must work together to determine a better way of serving student's needs.	30-Apr-04
FL98	Master of Spanish Bilingual Bicultural Education	1	Continuation	None.		
FL99	Master of Foreign Languages	2	Continuation with specific changes	Post-Review Program Improvement Plan	The program should develop a recruiting and marketing plan to address the current decline in enrollments. The program should begin collecting and analyzing data on a regular basis for planning and improvement activities. There is also a challenge with scheduling that must be resolved.	30-Nov-03
None	English as a Second Language	1	Continuation	None.		

<b>Provost Decisions and Follow-up Required Industrial Technology</b>						
<b>Program Code</b>	<b>Program Title</b>	<b>Decision Code</b>	<b>Decision Translation</b>	<b>Follow-up</b>	<b>Key Issues to Address in Follow-up</b>	<b>Due Date</b>
IT02	Bachelor of Computer Aided Design	3	Probation	Post-Review Program Improvement Plan and annual Program Review until deficiencies are corrected. <b>Timeline not to exceed 3 years.</b>	The program should revisit its goals and develop a plan that includes continuous improvement actions. The plan should also include a marketing and recruiting plan, as well as a timeline. The advisory board should help in the development of this plan.	30-Nov-03
IT03	Bachelor of Computer Aided Manufacturing	4	Phase Out	Development of a Phase Out plan (See the Department Manual for specific requirements).	The department has 30 days to initially respond to the recommendation. This program was shelved in February 2002, and should now be phased out.	30-Sep-03
IT04	Bachelor of Manufacturing	2	Continuation with specific changes	Post-Review Program Improvement Plan	The program should develop a proactive marketing and recruiting plan. The program should seek accreditation to help give structure to their activities and tie them to specific desired outcomes.	30-Nov-03
IT05	Bachelor of Applied Technology	3	Probation	Post-Review Program Improvement Plan and annual Program Review until deficiencies are corrected. <b>Timeline not to exceed 3 years.</b>	The program should undergo a comprehensive revision, this should include the development of a coherent program of study that incorporates program goals, a definition of transferable courses, formal articulation agreements to support transferred courses, assessment measures, admission standards, a list of specific courses required to complete the program.	30-Nov-03
IT06	Bachelor of Plastics	4	Phase Out	Development of a Phase Out plan (See the Department Manual for specific requirements).	The department has 30 days to initially respond to the recommendation. This program was shelved in February 2002 and should now be phased out.	30-Sep-03
IT07	Bachelor of Construction Management	1	Continuation	None.		

**Provost Decisions and Follow-up Required  
Industrial Technology**

<b>Program Code</b>	<b>Program Title</b>	<b>Decision Code</b>	<b>Decision Translation</b>	<b>Follow-up</b>	<b>Key Issues to Address in Follow-up</b>	<b>Due Date</b>
IT08	Pre-Engineering	2	Continuation with specific changes	Post-Review Program Improvement Plan	Develop a formal program of study.	30-Nov-03
IT09	Pre-Architecture	2	Continuation with specific changes	Post-Review Program Improvement Plan	Develop a formal program of study.	30-Nov-03
IT10	Bachelor of Electronic Engineering Technology	2	Continuation with specific changes	Post-Review Program Improvement Plan	Establishment of an advisory board will strengthen the program. The program should also develop a plan for data collection and an enrollment plan, to assist with course scheduling and to prevent the frequent use of Independent Study courses.	30-Nov-03
IT11	Bachelor of Mechanical Engineering Technology	2	Continuation with specific changes	Post-Review Program Improvement Plan	Establishment of an advisory board will strengthen the program. The program should also develop a plan to update the curriculum on a regular basis.	30-Nov-03
IT12	Bachelor of Facility Management	2	Continuation with specific changes	Post-Review Program Improvement Plan	This program was shelved as of 02 December 12, and should remain shelved for now. The potential College of Health and Human Services restructuring should be completed before deciding whether or not this program should be phased out.	30-Nov-03
IT15	Bachelor of Manufacturing Cost Analysis	4	Phase Out	Development of a Phase Out plan (See the Department Manual for specific requirements).	The department has 30 days to initially respond to the recommendation. This program was approved for shelving and should now be phased out.	30-Sep-03

**Provost Decisions and Follow-up Required  
Industrial Technology**

<i>Program Code</i>	<i>Program Title</i>	<i>Decision Code</i>	<i>Decision Translation</i>	<i>Follow-up</i>	<i>Key Issues to Address in Follow-up</i>	<i>Due Date</i>
IT98	Graduate Certificate in Quality	4	Phase Out	Development of a Phase Out plan (See the Department Manual for specific requirements).	The department has 30 days to initially respond to the recommendation. This program has had only one student enrolled in the past few years and should now be phased out.	30-Sep-03
IT9995	Master of Manufacturing CAD/CAM	2	Continuation with specific changes	Post-Review Program Improvement Plan	The program should develop a formal marketing and recruiting plan that includes a domestic focus. The program must work with Course and Program Development to formalize the Special Topics courses that have been offered several times. The department should plan for additional faculty in the program, to provide back-up to Dr. Lin.	30-Nov-03
IT9996	Master of Manufacturing Engineering Management	1	Continuation	None.		
IT9997	Master of Quality	1	Continuation	None.		
IT9999	Master of Construction Management	2	Continuation with specific changes	Post-Review Program Improvement Plan	The program must specify a core group of specific courses that all students must take. It should also develop a capstone project or course for assessment purposes. The program should pursue accreditation.	30-Nov-03

<b>Provost Decisions and Follow-up Required Mathematics</b>						
<i>Program Code</i>	<i>Program Title</i>	<i>Decision Code</i>	<i>Decision Translation</i>	<i>Follow-up</i>	<i>Key Issues to Address in Follow-up</i>	<i>Due Date</i>
<b>MA01</b>	<b>Bachelor of Mathematics</b>	<b>1</b>	<b>Continuation</b>	None.		
<b>MA02</b>	<b>Bachelor of Actuarial Science and Economics</b>	<b>1</b>	<b>Continuation</b>	None.		
<b>MA03</b>	<b>Bachelor of Mathematics with concentration in Statistics</b>	<b>1</b>	<b>Continuation</b>	None.		
<b>MA31</b>	<b>Bachelor of Mathematics - Secondary Education</b>	<b>1</b>	<b>Continuation</b>	None.		
<b>MA33</b>	<b>Bachelor of Mathematics - Elementary Education</b>	<b>1</b>	<b>Continuation</b>	None.		
<b>MA99</b>	<b>Master of Mathematics</b>	<b>1</b>	<b>Continuation</b>	None.		
<b>MA9997</b>	<b>Master of Mathematics with concentration in Mathematics Education</b>	<b>1</b>	<b>Continuation</b>	None.		
<b>MA9998</b>	<b>Master of Mathematics with concentration in Applied Statistics</b>	<b>1</b>	<b>Continuation</b>	None.		
<b>MA9999</b>	<b>Master of Mathematics with concentration in Computer Science</b>	<b>2</b>	<b>Continuation with specific changes</b>	Post-Review Program Improvement Plan	The program should explore creating a joint-program with CS97- Master of Computer Science.	30-Nov-03
<b>None</b>	<b>Developmental Mathematics</b>	<b>1</b>	<b>Continuation</b>	None.		

<b>Provost Decisions and Follow-up Required Political Science</b>						
<b>Program Code</b>	<b>Program Title</b>	<b>Decision Code</b>	<b>Decision Translation</b>	<b>Follow-up</b>	<b>Key Issues to Address in Follow-up</b>	<b>Due Date</b>
PL01	Bachelor of Political Science	1	Continuation	None.		
PL02	Bachelor of Public Administration	1	Continuation	None.		
PL03	Bachelor of Public Law and Government	1	Continuation	None.		
PL04	Pre-Law	2	Continuation with specific changes	Post-Review Program Improvement Plan	Develop a formal program of study.	30-Nov-03
PL05	Bachelor of Public Safety Administration	2	Continuation with specific changes	Post-Review Program Improvement Plan	Strengthening the program's relationship with the Staff & Command program is critical. While much work has been done, IDT must come to the table to discuss the strategic direction of this program.	30-Nov-03
PL31	Bachelor of Political Science - Teaching	1	Continuation	None.		
PL99	Master of Public Administration	1	Continuation	None.		

<b>Provost Decisions and Follow-up Required Sociology, Anthropology, &amp; Criminology (undergraduate programs)</b>						
<b>Program Code</b>	<b>Program Title</b>	<b>Decision Code</b>	<b>Decision Translation</b>	<b>Follow-up</b>	<b>Key Issues to Address in Follow-up</b>	<b>Due Date</b>
SC01	Bachelor of Sociology	1	Continuation	None.		
SC02	Bachelor of Anthropology	1	Continuation	None.		
SC03	Bachelor of Criminology and Criminal Justice	1	Continuation	None.		
SC31	Bachelor of Sociology - Teaching	2	Continuation with specific changes	Post-Review Program Improvement Plan	A needs assessment should be done to address the student teaching placement issues raised by Teacher Education. Utilization of an advisory board may provide some guidance in this area.	30-Nov-03
