

# EASTERN MICHIGAN UNIVERSITY

DIVISION OF ACADEMIC AFFAIRS  
OFFICE OF THE ASSOCIATE PROVOST  
INTER OFFICE MEMORANDUM

**TO:** Ellene Tratras Contis, Interim Dean  
College of Arts and Sciences

**FROM:** Michael Harris, Associate Provost  
Academic Affairs

**SUBJECT:** Academic Program Review

**DATE:** 27 June 2002

In response to your Program Listing memo dated April 30, 2002, the Department of Mathematics will review the following programs during the 2002-2003 Program Review cycle:

## Undergraduate

<b>MA01</b>	<b>Mathematics</b>
<b>MA02</b>	<b>Actuarial Science and Economics</b>
<b>MA03</b>	<b>Mathematics with concentration in Statistics</b>
<b>MA31</b>	<b>Mathematics – Secondary Education</b>
<b>MA33</b>	<b>Mathematics – Elementary Education</b>

## Graduate

<b>MA99</b>	<b>Mathematics</b>
<b>MA9998</b>	<b>Mathematics with concentration in Applied Statistics</b>
<b>MA9999</b>	<b>Mathematics with concentration in Computer Science</b>

Since **MA01 Mathematics** is an interdisciplinary program with the Economics Department, collaboration and cooperation with them in your evaluation and analysis will be necessary to assure that all aspects of the program are represented accurately.

Additionally, per my March 5, 2002 memo outlining Program Review guidelines, programs scheduled to be implemented prior to the department's next program review will be reviewed. Therefore, the following Mathematics program code will undergo Program Review:

<b>MA9997</b>	<b>Mathematics with concentration in Mathematics Education</b>
---------------	--

While the program only recently began (Fall 2001), some data will be available. Regardless, it is important to review this program, so as to make available information regarding the goals and future plans for the program.
