A new year – a new beginning

A new school has started and now is the perfect time to join SHRM. Joining today means you'll network many HR professionals, you'll be part of a very successful student organization that you can put on your resume, and above all else, you'll have FUN! But why just join when you can take full part in the chapter. We are looking for people interested in becoming more active in the student chapter. Officer opportunities are still available, as well as simply helping out when you can with any special projects. If you are not interested in becoming too involved, we are always looking for ideas and suggestions you have to improve this student chapter. Remember, this organization is meant to benefit YOU!

JOIN SHRM TODAY!

If you have at least six credit hours in a semester, you can join Eastern's SHRM student chapter. Receive all the benefits the professionals do at a fraction of the cost, only \$35 a year. The applications are in the management department, room 466, or you can call 734-487-3240 and have one mailed or faxed to you.

So what do I get out of this?

As stated before, this organization is for YOU. With that being said, let's see what benefits you get for joining the Eastern Michigan University SHRM student chapter.

FREE ADMISSION

The Michigan SHRM State Conference and the Michigan State Collegiate Job Fair are both coming up soon, and as a student member of SHRM you can attend both for free, as a volunteer. These events always go better with a little bit of help, and that's why we need volunteers. **You are not required to be an EMU SHRM member to volunteer for the Collegiate Job Fair.

NEED SOME GUIDANCE

The student chapter also offers a mentor program to its members. This is a great way to network with professionals, who have already walked the career path and can give you some ideas, helpful hints, and best of all connections that can help you get a career job. You can apply for the mentor program by contacting us at shrm.chapter@emich.edu.

KNOWING MORE ABOUT HR

The student chapter also gives you the chance to further your knowledge about HR and give you that edge you need in this competitive job market. For undergraduates, the HR Games is a great way to learn every aspect of HR in a fun and competitive way. It is a jeopardy style game, where different colleges compete to show who knows more about HR, or just show they can hit the buzzer faster than the other school. For the graduates or the undergraduates about to graduate, the student chapter also offers study groups for the PHR and SPHR exams. Both of these certifications are a great way to make you stand above and beyond others competing for the same job.

If you are interested in joining the HR games, joining a PHR/SPHR study group, or have general questions, please contact the management department at 734-487-3240 in room 466 of Owen or email us at shrm.chapter@emich.edu.
