Enjoy the break and we'll see you next semester!

## **Dean's Board of Student Associations (DBSA)**

Many of you may not realize that a representative from each of the COB student organizations meet collectively with the Dean each month. This provides an opportunity to discuss issues and concerns with Dean Milke, who is very supportive of the COB student organizations. This also is an opportunity for the student organizations to discuss and share ideas, as well as provide opportunities for collaboration on meetings and events. The student organizations would like to create a supportive and welcoming environment - anyone is welcome to attend any of the student organization meetings if you find a topic to be interesting. A social event for all of the student organizations is also being planned for January – this will be a great opportunity to have some fun and meet students in other organizations. Look for more information on the DBSA and future events to be sent next semester.

## **EXPAND YOUR PROFESSIONAL DEVELOPMENT & NETWORKING OPPORTUNITIES**

Our sponsoring chapter, the Human Resources Association of Greater Detroit (HRAGD), provides many opportunities for enhancing your professional development, as well as providing networking opportunities. HRAGD is sponsoring our mentoring program that matches each student with an HR professional in our community. A meet and greet is planned for early next year for those who have signed up for the mentoring program. You could also win \$100 from HRAGD if you write an article related to the HR field and it is chosen to be published in a monthly HRAGD newsletter!

Student members are also able to attend the monthly HRAGD meetings for \$15. This is another excellent opportunity for networking with professional members and to receive updated HR information outside of the classroom. The HRAGD schedule is included below. We hope you are able to take advantage of the great meetings that are planned for next year at the great price!
