Eastern Michigan University Women's Association

The EMU Women's Association was formed in 1914 to support women at EMU. The association is dedicated to promoting the role of women within the university community, providing scholarships for EMU students, and sponsoring programs and activities of interest to women.

Some recent activities include: sponsoring Women's History Month programs, a poinsettia plant sale to raise funds for scholarships, and the annual spring luncheon.

Our scholarships are funded through donations, fundraisers and a portion of the membership dues. The association awarded four scholarships to deserving students in 2011.
