

**HEALTH AND SAFETY COMMITTEE
MINUTES
March 16, 2007**

MEMBERS PRESENT:

Kevin Abbasse – Physical Plant Susan Campbell – ORD, UAW 1976
Raquel Huffman – Health and Safety Steven Perneky – AAUP
Toni Taylor – UAW 1975
Guest: Jim Breznau – Physical Plant

1. Raquel Huffman distributed the activity summary for February/March. Discussion was held.
2. Susan Campbell reported that a ceramic tile from the roof of Starkweather had fallen near the front entrance. John Lamb from the Physical Plant was contacted and stated that a roofing company has been asked to assess the damage.
3. Susan Campbell suggested that a notification be distributed to inform people about CERT and increase awareness to possibly raise interest in others who may want to volunteer.
4. Tony Taylor reported that Pierce has been extremely hot. Mark Monarch from the Physical Plant was contacted and said that the HVAC shop was working on getting more outside air into the building.
5. Steve Perneky mentioned that the environment in Mark Jefferson continues to be much improved over previous years.

****The next meeting is Friday April 20th, at 9 am in room 104 Student Center.****
