

HEALTH AND SAFETY COMMITTEE MINUTES May 18, 2007

MEMBERS PRESENT:

Kevin Abbasse – Physical Plant
Susan Campbell – ORD, UAW 1976
Erica Healander – Risk Management
Raquel Huffman – Health and Safety
Kathryn Wilhoff – Health and Safety

Nancy Bowman – AFSCME
Arlene Cook – CORR
Joanne Hansen - Women's Commission
Steven Perneky – AAUP

1. Kathryn Wilhoff distributed the activity summary for April/May. Discussion was held.
2. Susan Campbell inquired about the disposal of batteries. Batteries are considered universal waste and must be disposed of accordingly. Contact Roy Rose for a bucket for battery collection and disposal.
3. Nancy Bowen reported a truck leaving central stores snagged a telephone wire that was hanging too low. There is a concern that other wires may be hanging low. Cynthia Palombit was contacted and stated that AT&T responded the same day to review and repair the phone lines.
4. Nancy Bowen received a special thanks for continuously sending out emergency response flip charts as they are requested.
5. Erica Healander reported that there will be some rescue equipment installed at the Student Center Pond. A rope, life ring, pole with hook, and life jackets will be located at the pond.
6. Kathryn Wilhoff has been diligently revising the Universities emergency response plan. The revisions incorporate CERT (Community Emergency Response Teams) in place of the building administrators

*****The next meeting is Friday, June 15th at 9 am in room 104 Student Center.*****
