Doctoral Student Low Enrollment Form

Doctoral students who have completed ALL academic coursework (excluding comprehensive exam, dissertation and/or internship), but who continue to work toward completion of those requirements may be considered full-time during periods of registration in those courses. After such registrations are no longer needed to satisfy program requirements, a doctoral student may enroll in a Continuous Enrollment (767) course and be considered a full-time student. This paperwork is required in either case. A FINAL program of study must be on file to verify eligibility.

Please note: This form may NOT be used if other courses on the program of study are not completed, or during terms in which registration in other courses exists (including, but not limited to, independent study).

PLEASE SUBMIT THIS FORM EACH SEMESTER YOU WISH TO BE CONSIDERED FOR FULL TIME ENROLLMENT – AFTER YOU HAVE REGISTERED, but prior to the beginning of the semester.
