Volunteering to tutor in the accounting lab—tutoring is certainly a skill which will look good on your resume. We still has a need to hire 1-2 more tutors this semester. It is required that you have taken and completed ACC240, ACC241, FIN350 and DS/statistics as their strong points. If you are interested in tutoring in the Accounting lab for community service credits, please contact Anthony Sammour to arrange, asammour@emich.edu.
