

Dear Applicant:

We are pleased to provide you with the enclosed application and admissions material for the Master of Social Work Program at Eastern Michigan University.

The curriculum and philosophy of our MSW Program reflects our faculty's commitment to our mission statement; a commitment we hope you share. Our MSW Program prepares social workers to find empowering solutions to social problems and to meet the needs of the most impoverished, oppressed, and underserved people. It is designed to accommodate full-time employees in the human services field by providing a part-time program. All classes are offered weekday evenings and/or Saturdays. Applicants interested in attending full-time will be given an opportunity to apply for full-time status once accepted into the program. We offer three advanced concentrations for professional social work practice (see enclosed Program brochure).

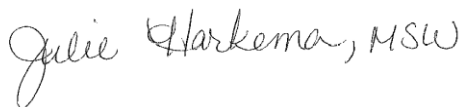

To effectively plan your application, we recommend that you verify and review the contents of this packet, including:

- MSW Brochure
- Instructions for Applying
- Graduate School Application
- Employment and Voluntarism Record
- (3) Letters of Recommendation forms and (3) Envelopes
- Application Checklist

These forms are also available at: www.emich.edu/sw/progMSW.html

If you have any additional questions, please contact the MSW Program Office by phone at 734-487-6892 or by email at maw.program@emich.edu. Thank you for your interest in our program.
