Dear Governor Granholm:

We are writing to inform you that we are resigning as members of the Board of Regents of Eastern Michigan University, effective December 31, 2006.

If you are unable to appoint our replacements by that date, we would be willing to remain on the board through the first scheduled meeting in January, in order to assure a quorum is present to conduct the regular business of the university. Under any circumstances, we will end our service to the university no later than January 31, 2007.

We wish Eastern Michigan University well in the future.

Sincerely,
